Alternative Reproductive Tactics Rui F. Oliveira,Michael Taborsky,H. Jane Brockmann,2008-03-13 The study of alternative reproductive tactics the behavioural strategies used by individuals to increase their reproductive success is an evolutionary puzzle and one of great interest to researchers For instance why do some males guard both nest and eggs while others sneak into nests while pairs are spawning and fertilise those eggs The field offers a special opportunity to study the evolution and functional causes of phenotypic variation which is a general problem in the field of evolutionary biology By integrating both mechanistic psychological and evolutionary behavioural ecology perspectives and by covering a great diversity of species *Alternative Reproductive Tactics* addresses this integrated topic of longstanding interest bringing together a multitude of otherwise scattered information in an accessible form that is ideal for graduate students and researchers

Courtship Louise Allen,2002 Handbook of Marriage and the Family Suzanne K. Steinmetz,Marvin B. Sussman,2013-11-11 The lucid straightforward Preface of this Handbook by the two editors and the comprehensive perspectives offered in the Introduction by one of them leave little for a Foreword to add It is therefore limited to two relevant but not intrinsically related points vis a vis research on marriage and the family in the interval since the first Handbook Christensen 1964 appeared namely the impact on this research of the politicization of the New Right and of the Feminist Enlightenment beginning in the mid sixties about the time of the first Handbook In the late 1930s Willard Waller noted Fifty years or more ago about 1890 most people had the greatest respect for the institution called the family and wished to learn nothing whatever about it Everything that concerned the life of men and women and their children was shrouded from the light Today much of that has been changed Gone is the concealment of the way in which life begins gone the irrational sanctity of the home The aura of sentiment which once protected the family from discussion clings to it no more We want to learn as much about it as we can and to understand it as thoroughly as possible for there is a rising recognition in America that vast numbers of its families are sick from internal frustrations and from external buffeting We are engaged in the process of

reconstructing our family institutions through criticism and discussion 1938 pp 3 4 Courtship and Marriage in Victorian England Jennifer Phegley, 2011-11-15 This book examines the popular publications of the Victorian period illuminating the intricacies of courtship and marriage from the differing perspectives of the working middle and upper classes In contemporary culture the near obsessive pursuit of love and monogamous bliss is considered normal as evidenced by a wide range of online dating sites television shows such as Sex in the City and The Bachelorette and an endless stream of Hollywood romantic comedies Ironically when it comes to love and marriage we still wrestle with many of the same emotional and social challenges as our 19th century predecessors did over 100 years ago Courtship and Marriage in Victorian England draws on little known conduct books letter writing manuals domestic guidebooks periodical articles letters and novels to reveal what the period equivalents of dating and tying the knot were like in the Victorian era By addressing topics such as the etiquette of introductions and home visits the roles of parents and chaperones the events of the London season model love letters and the specific challenges facing domestic servants seeking spouses author Jennifer Phegley provides a fascinating examination of British courtship and marriage rituals among the working middle and upper classes from the 1830s to the 1910s **Sips & Swipes: Tales of Love, Libations, and Drama** Spencer Whitlow, Sips Swipes Tales of Love Libations and Drama delves into the exhilarating and tumultuous world of modern dating where the search for love intersects with the age of digital connectivity This captivating collection of stories navigates through the heart fluttering highs and heart wrenching lows experienced by a diverse cast of characters each trying to find their place in the romance spectrum From the cozy corners of dimly lit bars where love is often kindled over shared drinks to the endless swiping on dating apps where hope and despair dance in the palms of seeking hands these tales encapsulate the essence of seeking connection in today's world With each story readers are invited to explore the nuanced emotions and complex dynamics that define contemporary relationships Whether it's the story of a first date ignited by the shared love for a rare cocktail or the unraveling of a relationship under the weight of unmet expectations fueled by social media illusions Sips Swipes offers a mirror to the soul of modern love The collection not only highlights the influence of libations in loosening tongues and lowering guards allowing for authentic connections but also the drama that often follows when reality fails to match the curated images online Through a blend of humor heartache and hopeful endings Sips Swipes provides a multifaceted look at love in the era of instant gratification It's a toast to the beauty of fleeting moments the resilience required to navigate the swipe culture and the endless quest for love that despite the odds remains a fundamental human desire **Wrangling Wes** Jacquelin Thomas, 2014 Lassoed by Love What's a city girl like Lydia Emerson doing in Granger Montana Her movie actress boss has given her plenty of strange assignments before but this one trumps them all Lydia must win herself a cowboy And Wes Broward is not just any cowboy As the millionaire son of the renowned Broward ranching dynasty he is handsome and confident enough to be a movie star himself and he knows it Lydia uses all her L A savvy to land this bachelor at a cowboy

Ruskin Bond A Study of Human Emotions Dr. Sangeeta Paul Budhiraja, Literature challenges one not only to think about ethical conundrums but also makes one sensitive and compassionate When it blends with euphoria and nostalgia the integral parts of human mind it toughens and becomes sturdy Man loves to live in his past memories to be happy The experiences form a part of human personality and shape their behaviour pattern Nostalgia stores for us our memories which we relish lifelong Even the lamentable days of past become pleasant Though we might have ignored some not too pleasant incidents in our bygone days yet somewhat bitter experiences appear to be impressive and attractive It is aptly said that the panorama of mountains appear beautiful and splendid from a distance The bitterness of nearness is intolerable The more we grow in years the more our past recedes Distance from the life lived long ago makes it sweet and desirable Strain and stress of the present becomes frivolous when we slip and relapse into euphoric nostalgia The instincts of euphoria and nostalgia have been vividly handled by the legendary writers of all times They have given various dimensions and definitions to the readers to redeem these human aspects yet many more stones are still unturned These two instincts in the oeuvre of the legendary writer Ruskin Bond are the anchor points that suggest the scope of study I have chosen to put forward the very idea about how a man's body mind and soul blend with traces of his past memories and support the holistic growth

The Brontë Novels (Routledge Revivals) W. A. Craik, 2013-01-11 First published in 1968 this reissue of Dr Craik s critical appreciation of the completed novels of Charlotte Emily and Anne Bront is seminal for the way in which it shifts emphasis away from the Bront family biography towards a detailed critical analysis of the novels themselves Separate chapters are given to each of the seven novels The author s aims and techniques in each are assessed and Dr Craik shows what light the books throw on each other how they are related to the novels of the Bront s predecessors and how the Bront novels compare with their great contemporaries in the nineteenth century novel
