

14 Ford Xr6 Turbo

Arturo Cuomo

14 Ford Xr6 Turbo:

Ford Falcon - Commemorative Edition Luke West, 2022-05-09 Ford Falcon Commemorative Edition celebrates the much loved car's six decade rule of Aussie roads and racetracks. With the chequered flag flying on the Blue Oval favourite, this book examines the first Falcons to take flight in the early 1960s through to the final FG X. Special emphasis is placed on the glorious decade 1969-78 and the magnificent high performance machines from the Falcon XW GT HO to the XA XB and the Cobra. These are cars that still command instant respect and ooze all the excitement, emotion, colour, freedom and raw power of their time. Ford Falcon captures the stories from the men who designed, developed, built and raced these bred-for-Bathurst beasts. It features stunning photography of Falcon's triumphs, milestones and majesty. After some 56 years and 3.8 million cars, what better way to say goodbye to Aussie motoring royalty?

Ford Mustang Donald Farr, 2017-02-06 In Ford Mustang America's Original Pony Car, acclaimed Mustang writer Donald Farr celebrates this iconic car. Created in cooperation with Ford, the book features some 400 photos from company archives.

The Bulletin, 2005

American Cars, 1966-1972 J. "Kelly" Flory, Jr., 2023-11-20 The automotive industry underwent

great change in the 1960s and the early 1970s. The continuing trend toward market consolidation, the proliferation of sizes and nameplates, and the need for speed characterized this period, loosely labeled as the muscle car era. This is an exhaustive reference work to American-made cars of model years 1966-1972. Organized by year and summarizing the market annually, it provides a yearly update on each make's status and production figures, then details all models offered for that year. Model listings include available body styles, base prices, engine and transmission choices, power ratings, standard equipment, major options and their prices, curb weight and dimensions, interior and exterior paint color choices, changes from the previous year's model, and sales figures. Also given are assembly plant locations and historical overviews of each model nameplate.

Muscle Cars: Style, Power, and Performance Jim Glastonbury, 2016-09-29 Hidden in garages or screaming down streets, muscle cars still turn heads. The All American phenomena are loud and proud. Get a glimpse of your favorites here.
