16 Sol Plaatje University Brochure:

Handbook of Research on Mixed Methods Research in Information Science Ngulube, Patrick, 2021-11-26 Mixed methods research is becoming prevalent in many fields yet little has been done to elevate mixed methods research in information science A comprehensive picture of information science and its problems is needed to further understand and address the issues associated with it as well as how mixed methods research can be adapted and used The Handbook of Research on Mixed Methods Research in Information Science discusses the quality of mixed methods studies and methodological transparency sampling in mixed methods research and the application of theory in mixed methods research throughout various contexts Covering topics such as the issues and potential directions for further research in mixed methods this comprehensive major reference work is ideal for researchers policymakers academicians librarians practitioners instructors and students *The Palgrave Handbook of Animals and Literature* Susan McHugh, Robert McKay, John Miller, 2020-11-25 This volume is the first comprehensive guide to current research on animals animality and human animal relations in literature To reflect the history of literary animal studies to date its primary focus is literary prose and poetry in English while also accommodating emergent discussions of the full range of media and contexts with which literary studies engages especially film and critical theory User friendly language references even suggestions for further readings are included to help newcomers to the field understand how it has taken shape primarily through recent decades To further aid teachers sections are organized by conventions of periodization and chapters address a range of canonical and popular texts Bookended by sections devoted to the field's conceptual foundations and new directions the volume is designed to set an agenda for literary animal studies for decades to come **The Bloomsbury Handbook of Global Education and Learning** Douglas Bourn, 2022-04-21 2021 PROSE Award Finalist Reference Works Learning about global issues and themes has become an increasingly recognised element of education in many countries around the world Terms such as global learning global citizenship and global education can be seen within national education policies and international initiatives led by the UN UNESCO European Commission and OECD The Bloomsbury Handbook of Global Education and Learning brings together the main elements of the debates provides analysis of policies and suggests new directions for research in these areas Written by internationally renowned scholars from Brazil Canada Finland Germany Ireland Italy Japan Pakistan Poland South Africa Spain Sweden Taiwan UK and the USA the handbook offers a much needed resource for academics researchers policy makers and practitioners who need a clear picture of global learning *The Palgrave Handbook of Christianity in Africa from Apostolic Times to the Present* Andrew Eugene Barnes, Toyin Falola, 2024-03-07 This comprehensive Handbook provides chapter length surveys of the history of Christian missions and Christian churches on the African continent since the time of Christ Africa is rapidly becoming the most Christianized region of the world While common narratives about Christianity tend to present Christianity as a set of ideas and beliefs imposed on Africa from the

outside such narratives hold little meaning for African Christians or for those seeking to understand Christianity in Africa as an indigenous faith. The aim of the Handbook is to propose a set of scholarly starting points for a new set of narratives. The chapters collected here communicate an idea of Christianity as it has been embraced among African peoples at particular historical moments. It therefore grants voice to the various strands of African Christianity on their own terms and offers scholarly study of what these voices teach us about how the world's most adhered-to religion is practiced and understood on the continent of Africa.

Catalog of the Melville J. Herskovits Library of African Studies, Northwestern University Library (Evanston, Illinois) and Africana in Selected Libraries Melville J. Herskovits Library of African Studies, 1972

Indigenous Studies: Breakthroughs in Research and Practice Management Association, Information

Resources, 2019-10-11 Global interest in indigenous studies has been rapidly growing as researchers realize the importance of understanding the impact indigenous communities can have on the economy, development, education, and more. As the use, acceptance, and popularity of indigenous knowledge increases, it is crucial to explore how this community-based knowledge provides deeper insights, understanding, and influence on such things as decision making and problem solving. *Indigenous Studies: Breakthroughs in Research and Practice* examines the politics, culture, language, history, socio-economic development, methodologies, and contemporary experiences of indigenous peoples from around the world, as well as how contemporary issues impact these indigenous communities on a local, national, and global scale. Highlighting a range of topics such as local narratives, intergenerational cultural transfer, and ethnicity and identity, this publication is an ideal reference source for sociologists, policymakers, anthropologists, instructors, researchers, academicians, and graduate-level students in a variety of fields.

National Union Catalog, 1978 Includes entries for maps and atlases. [Handbook Of The Sociology Of Youth In Brics Countries](#) Tom Dwyer, Mikhail K Gorshkov, Ishwar Modi, Chunling Li, Mokong S Mapadimeng, 2017-11-08 Youth are by definition the future. This book brings initial analyses to bear on youth in the five BRICS countries: Brazil, Russia, India, China, and South Africa, which are home to nearly half of the world's youth. Very little is known about these youth outside of their own countries, since the mainstream views on youth and youth culture are derived from the available literature on youth in the industrialized West, which is home to a small part of the world's youth. This book aims to help fill in this gap. The handbook examines the state of youth, their past, present, and permits the development of insights about the future. The BRICS countries have all engaged in development processes, and some remarkable improvements in young people's lives over recent decades are documented. However, the chapters also show that these gains can be undermined by instabilities, poor decisions, and external factors in those countries. Periods of economic growth, political progress, cultural opening up, and subsequent reversals rearticulate differently in each society. The future of youth is sharply impacted by recent transformations of economic, political, and social realities. As new opportunities emerge and the influence of tradition on youth's lifestyles weakens, and as their norms and values change, the youth enter into conflict with dominant expectations and power.

structures The topics covered in the book include politics education health employment leisure Internet identities inequalities and demographics The chapters provide original insights into the development of the BRICS countries and place the varied mechanisms of youth development in context This handbook serves as a reference to those who are interested in having a better understanding of today's youth Readers will become acquainted with many issues that are faced today by young people and understand that through fertile dialogues and cooperation youth can play a role in shaping the future of the world

The National Union Catalog, 1973 *Unsettled History* Leslie Witz, Gary Minkley, Ciraj Rassool, 2017-02-27 An engrossing look at how history has been produced contested and unsettled in South Africa from Mandela's release to 2010

Sol Plaatje's Native Life in South Africa Janet Remmington, Brian Willan, Bhekizizwe Peterson, 2016-10-01 Sheds new light on Native Life appearing at a critical historical juncture and reflects on how to read it in South Africa's heightened challenges today First published in 1916 Sol Plaatje's *Native Life in South Africa* was written by one of the South Africa's most talented early twentieth century black leaders and journalists Plaatje's pioneering book arose out of an early African National Congress campaign to protest against the discriminatory 1913 Natives Land Act *Native Life* vividly narrates Plaatje's investigative journeying into South Africa's rural heartlands to report on the effects of the Act and his involvement in the deputation to the British imperial government At the same time it tells the bigger story of the assault on black rights and opportunities in the newly consolidated Union of South Africa and the resistance to it Originally published in war time London but about South Africa and its place in the world *Native Life* travelled far and wide being distributed in the United States under the auspices of prominent African American W E B Du Bois South African editions were to follow only in the late apartheid period and beyond The aim of this multi-authored volume is to shed new light on how and why *Native Life* came into being at a critical historical juncture and to reflect on how it can be read in relation to South Africa's heightened challenges today Crucial areas that come under the spotlight in this collection include land race history mobility belonging war the press law literature language gender politics and the state **Subject Catalog** Library of Congress, The ANC's Early Years Peter Limb, 2024-12-02 The African National Congress ANC is the oldest and most durable of African nationalist movements not only in South Africa but also across the continent Since 1994 it has governed the country as leader of the Tripartite Alliance with the Congress of South African Trade Unions Cosatu and South African Communist Party SACP The early decades of the twentieth century saw the establishment survival and growth of ANC and black labour organisations This book focuses on the formative period of engagement of these political and socioeconomic forces before permanent alliances emerged It analyses the ANC's attitudes and relationships with the nascent formations of the black working class with particular attention to the most conscious and active workers The subject matter in this book also discusses migrant rural domestic and women workers not always then clearly defined as part of a formal working class Print editions not for sale in Sub Saharan Africa This book is part of Routledge's co-published series 30 Years of Democracy in South Africa in

collaboration with UNISA Press which reflects on the past years of a democratic South Africa and assesses the future opportunities and challenges *The Essential Writings of Robert A. Hill* Adam Ewing,2024-02-13 Bringing together Robert A Hill s most important writings for the first time this collection serves as a testament to Hill s legacy as a pioneering scholar activist archive builder and editor who shaped the study of Garveyism and pan Africanism *Dictionary Catalog* Schomburg Collection of Negro Literature and History,1962 **Africana Faith** James L. Conyers Jr.,2016-12-28 Essentially the study of black religion in America has been mysterious quarrelsome and paradoxical Repeatedly the reason in this primer aspires to make a concentric analysis of the function and capacity of spirituality and religiosity within the African American Muslim movement Recently there have been numerous volumes in the form of biographical or communal studies conducted on Black twentieth century religious figures Much of this discussion has exacerbated in hierarchy of religious values rather than a concentric analysis of the role and function of spirituality and religiosity Therefore this collection of essays places emphasis on the role and views of the missionary and voluntary spread of Islam among African Americans in the United States

Subject Catalog, 1975 Library of Congress,1975 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries,1979 Until We Have Won Our Liberty Evan Lieberman,2024-09-24 A compelling account of South Africa s post Apartheid democracy At a time when many democracies are under strain around the world Until We Have Won Our Liberty shines new light on the signal achievements of one of the contemporary era s most closely watched transitions away from minority rule South Africa s democratic development has been messy fiercely contested and sometimes violent But as Evan Lieberman argues it has also offered a voice to the voiceless unprecedented levels of government accountability and tangible improvements in quality of life Lieberman opens with a first hand account of the hard fought 2019 national election and how it played out in Mogale City a post Apartheid municipality created from Black African townships and White Afrikaner suburbs From this launching point he examines the complexities of South Africa s multiracial society and the unprecedented democratic experiment that began with the election of Nelson Mandela in 1994 While acknowledging the enormous challenges many South Africans continue to face including unemployment inequality and discrimination Lieberman draws on the country s history and the experience of comparable countries to demonstrate that elected Black led governments have without resorting to political extremism improved the lives of millions In the context of open and competitive politics citizens have gained access to housing basic services and dignified treatment to a greater extent than during any prior period Countering much of the conventional wisdom about contemporary South Africa Until We Have Won Our Liberty offers hope for the enduring impact of democratic ideals **The Oxford Handbook of Shakespearean Tragedy** Michael Neill,David Schalkwyk,2016-08-18 The Oxford Handbook of Shakespearean Tragedy presents fifty four essays by a range of scholars from all parts of the world Together these essays offer readers a fresh and comprehensive understanding of Shakespeare tragedies as both works of literature and as performance texts

written by a playwright who was himself an experienced actor The opening section explores ways in which later generations of critics have shaped our idea of Shakespearean tragedy and addresses questions of genre by examining the playwright's inheritance from the classical and medieval past The second section is devoted to current textual issues while the third offers new critical readings of each of the tragedies This is set beside a group of essays that deal with performance history with screen productions and with versions devised for the operatic stage as well as with twentieth and twenty first century reworkings of Shakespearean tragedy The book's final section expands readers awareness of Shakespeare's global reach tracing histories of criticism and performance across Europe the Americas Australasia the Middle East Africa India and East Asia
