Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library.

Research Libraries,1979 *Mobile Museums* Felix Driver ,Mark Nesbitt,Caroline Cornish,2021-04-19 Mobile Museums presents an argument for the importance of circulation in the study of museum collections past and present It brings together an impressive array of international scholars and curators from a wide variety of disciplines including the history of science museum anthropology and postcolonial history to consider the mobility of collections The book combines historical perspectives on the circulation of museum objects in the past with contemporary accounts of their re mobilisation notably in the context of Indigenous community engagement Contributors seek to explore processes of circulation historically in order to re examine inform and unsettle common assumptions about the way museum collections have evolved over time and through space By foregrounding questions of circulation the chapters in Mobile Museums collectively represent a fundamental shift in the understanding of the history and future uses of museum collections The book addresses a variety of different types of collection including the botanical the ethnographic the economic and the archaeological Its perspective is truly global with case studies drawn from South America West Africa Oceania Australia the United States Europe and the UK Mobile Museums helps us to understand why the mobility of museum collections was a fundamental aspect of their history and why it continues to matter today Praise for Mobile Museums This book advances a paradigm shift in studies of museums and collections A distinguished group of contributors reveal that collections are not dead assemblages The nineteenth and twentieth centuries were marked by vigorous international traffic in ethnography and natural history specimens that tell us much about colonialism travel and the history of knowledge and have implications for the remobilisation of museums in the future Nicholas Thomas University of Cambridge The first major work to examine the implications and consequences of the migration of materials from one scientific or cultural milieu to another it highlights the need for a more nuanced understanding of collections and offers insights into their potential for future re mobilisation Arthur MacGregor *Czech Republic* International Monetary Fund. European Dept.,2018-06-29 This 2018 Article IV Consultation highlights that Czech Republic s growth has been strong broad based and job rich The economy grew at 4.4 percent in 2017 led by strong domestic demand The unemployment rate fell to a record low of 2.3 percent in April 2018 even with increased participation Meanwhile headline and core inflation are close to the target of 2 percent Growth is projected to remain strong this year at 3.7 percent but labor shortages are putting constraints on future growth In the near term a decline in global trade is a major risk for a small economy highly dependent on external demand particularly from the euro area but also indirectly from other regions given how tightly integrated is the Czech economy into supply chains *The Cultivator & Country Gentleman* ,1877 **The Illustrated London News** ,1845 田中芳子 田中芳子,2023-06-28 2020 Ai Hisano Wilbur Owen Sypherd University of Delaware 2016 2020 Hagley Prize
