2014 Grade 11 November Business Studies Memorandum

David Billis, Colin Rochester

2014 Grade 11 November Business Studies Memorandum:

Handbook on Hybrid Organisations David Billis, Colin Rochester, 2020-02-28 Hybrid Organisations that integrate competing organisational principles have become a preferred means of tackling the complexity of today's societal problems. One familiar set of examples are organisations that combine significant features from market, public and third sector organisations. Many different groundbreaking approaches to hybridity are contained in this Handbook which brings together a collection of empirical studies from an international body of scholars. The chapters analyse and theorise the position of hybrid organisations and have important implications for theory, practice and policy in a context of proliferating hybrid forms of organisation.
