Ursano,Carol S. Fullerton,Lars Weisaeth,Beverley Raphael,2017-05-23 Covering both natural and man made scenarios including war and terrorism the Textbook of Disaster Psychiatry is a vital international reference for medical professionals community leaders and disaster responders a decade after its initial publication Spanning a decade of advances in disaster psychiatry this new and updated second edition brings together the views of current international experts to offer a cutting edge comprehensive review of the psychological biological and social responses to disaster in order to help prepare react and aid effective recovery Topics range from the epidemiology of disaster response disaster ecology the neurobiology of disaster exposure to socio cultural issues early intervention and consultation liaison care for injured victims The role of non governmental organizations workplace policies and the implications for public health planning at both an individual and community level are also addressed **Editor & Publisher** ,1975 Race, Gender, and Film Censorship in Virginia, 1922-1965 Melissa Ooten,2014-12-18 This book chronicles the history of movie censorship in Virginia from the 1920s to 1960s At its most basic level it analyzes the project of state film censorship in Virginia It uses the contestations surrounding film censorship as a framework for more fully understanding the dominant political economic and cultural hierarchies that structured Virginia and much of the New South in the mid twentieth century and ways in which citizens contested these prevailing structures This study highlights the centrality of gendered and racialized discourses in the debates over the movies and the broader regulatory power of the state It particularly emphasizes ways in which issues of race class gender and sexuality framed debates over popular culture in the South It ties the regulation of racial and sexual boundaries in other areas such as public facilities schools public transportation the voting booth and residential housing to ways in which censors regulated those same boundaries in popular culture This book shows how the same racialized and gendered social norms and legal codes that placed audience members in different theater spaces also informed ways in which what they viewed on screen had been mediated by state officials Ultimately this study shows how Virginia's officials attempted to use the project of film censorship as the cultural arm of regulation to further buttress the state's political and economic hierarchies of the

time period and the ways in various citizens and community groups supported and challenged these hierarchies across the censorship board's forty three year history
