2014 Kzn March Life Science Paper:

The Cost of Globalization Julian E. Kunnie, 2015-03-27 The issues arising from rapid global integration have generally been treated in isolation by most academic works This volume examines the many pitfalls of globalization from the perspective of impoverished and indigenous peoples including the widening wealth gap the struggle for restoration of dispossessed lands and cultural rights global warming and ecological annihilation and the experiences of women in underdeveloped regions The United States growing prison industrial complex is discussed The author concludes with a call for reassessing current ways of living and proposes recreating cultures of conservation and sustainable economies

Legislature and the Prospects of Accountability in Nigeria and South Africa Omololu Fagbadebo, Fayth

Ruffin, 2018-08-03 This book examines the problem of accountability in two African political systems South Africa and Nigeria Despite the principle of separation of powers and the doctrine of checks and balances among the institutions of governance a burgeoning governance crisis stifles the potential of accountability and good governance Legislative oversight in the two countries remains largely ineffective while citizens are left to face the consequences of the mismanagement of public resources by political elites This book critically assesses how the legislative institutions in South Africa and Nigeria have been unable to harness the requisite constitutional powers to ensure accountability in government and explores the feasibility of their effectiveness The book begins with a comparative analysis of the principles tradition and powers

associated with legislative capability in South Africa and Nigeria The chapters explore constitutional provisions and analyze the capacity of each legislature to function within its respective political environment The book also examines the process and challenges associated with the various measures and mechanisms available for legislatures to ensure accountability in the two countries Researchers scholars and students of African politics will find this book useful in their understanding of the problems associated with the simmering governance crisis in South Africa and Nigeria **How Social Movements**

Imagine Bobby Luthra Sinha,2024-08-30 This book examines how micro contextual issues inspire collective social action forms against everyday situations of crises and crimes through an inter disciplinary ethnographic and comparative research conducted among Bishnois and Indian South Africans Exploring the role of the publics that practise and mobilise their social movement imaginations the work delves into peoples ability to move beyond their immediate contexts and politicise multiple social spaces and discursive spheres around them to project their causes Mapping an anti poaching movement spearheaded by the Bishnois of Western Rajasthan in India and an anti substance abuse movement led by the historical Indian diaspora of South Africa the author argues that such contemporary forms of organised social action replete with alternative frames symbols and repertoires possess key requisites to be understood as the Newer Social Movements of the Global South The volume will be of great interest to scholars and researchers of social and protest movements migration and diaspora studies political science social anthropology and ethnography Minerals Yearbook Geological Survey,Interior Department,Mines Bureau,2019-01-31 This volume covering metals and minerals contains chapters on approximately 90 commodities In addition this volume has chapters on mining and quarrying trends and on statistical surveying methods used by Minerals Information plus a statistical summary Good Jew, Bad Jew Steven Friedman,2023-11 Political theorist Steven Friedman addresses how and why the current language around anti Semitism in Israel has been distorted and weaponised to serve the political objectives of the Israeli state Friedman s critique examines what this implies for the fight against racism in South Africa and India and in other parts of the world A Scientific Bibliography of the Drakensberg, Maloti and Adjacent Lowlands Rodney Moffett,2021-04-19 This bibliography includes scientific articles on the Drakensberg Maloti and Adjacent Lowlands published between 1808 and 2019 Although focussing on material appearing in accredited journals there is such a wealth of information in the form of unpublished yet traceable reports documents presentations and dissertations these are also included The bibliography has two parts a complete list arranged alphabetically and the same references arranged in 33 different disciplines These range from Palaeobotany with 17 entries to Rock Art with 502 entries **9th WCEAM Research Papers** Joe Amadi-Echendu,Changela Hoohlo,Joe Mathew,2015-03-18 Engineering asset management encompasses all types of engineered assets including built environment infrastructure plant equipment hardware systems and components Following the release of ISO 5500x set of standards the 9th WCEAM addresses the hugely important issue of what constitutes the body of knowledge in Engineering Asset Management Topics discussed by Congress delegates are grouped

into a number of tracks including strategies for investment and divestment of assets operations and maintenance of assets assessments of assets condition risk and vulnerability technologies and systems for management of asset standards education training and certification These proceedings include a sample of the wide range of topics presented during the 9th World Congress on Engineering Asset Management in Pretoria South Africa 28 31 October 2014 and complements other emerging publications and standards that embrace the wide ranging issues concerning the management of engineered physical assets

Taking Care of the Future Oliver Pattenden, 2018-03-06 Taking Care of the Future examines the moral dimensions and transformative capacities of education and humanitarianism through an intimate portrayal of learners volunteers donors and educators at a special needs school in South Africa and a partnering UK based charity Drawing on his professional experience of inclusive education in London Oliver Pattenden investigates how systems of schooling regularly exclude and mishandle marginalized populations particularly exploring how street kids and poverty afflicted young South Africans experience these dynamics as they attempt to fashion their futures By unpacking the ethical terrains of fundraising voluntourism Christian benevolence human rights colonial legacies and the post apartheid transition Pattenden analyzes how political economic and social aspects of intervention materialize to transform the lives of all those involved
