Kurian,Debashish Munshi,2016-10-15 Straddling disciplines and continents Feminist Futures interweaves scholarship and social activism to explore the evolving position of women in the South Working at the intersection of cultural studies critical development studies and feminist theory the book s contributors articulate a radical and innovative framework for understanding the linkages between women culture and development applying it to issues ranging from sexuality and the gendered body to the environment technology and the cultural politics of representation This revised and updated edition brings together leading academics as well as a new generation of activists and scholars to provide a fresh perspective on the ways in which women in the South are transforming our understanding of development

Deepening Democracy Joseph Tharamangalam,Jos Chathukulam,2022-12-30 This book examines the renewed interest and commitment that countries across the world have shown in recent decades towards adopting models of decentralising or downsizing the state and moving towards more participatory models of government It examines systems of decentralised development such as self managing co operatives from a global and comparative perspective with a focus on developing countries Drawing on examples from Kerala and a few other states in India as well as Cuba Bangladesh and South Africa among other countries the book offers critical perspectives on the positive impacts of these experiments and the promises these offer for the future It discusses the challenges of implementing these models how well these work in coordination with the civil society and the state issues of transparency and democratic oversight as well as corruption and capture of power due to entrenched structures of inequality The volume analyses welfare and development models and self management interventionsin countering the effects of the COVID 19 pandemic It also looks at the meritsand demerits of decentralisation in countering the global socioeconomic and environmental crisis and the rise of authoritarian populism in many countries The book will be of interest to students and researchers of development studies political science business community development social justice as well as of co operative management programmes It will also appeal to students of political economy as well as development professionals think tanks and policymakers The Practice of Enterprise Modeling Ulrich

Frank, Oscar Pastor, Pericles Loucopoulos, Ilias Petrounias, 2014-11-07 This volume constitutes the proceedings of the 7th IFIP WG 8.1 Conference on the Practice of Enterprise Modeling held in November 2014 in Manchester UK The focus of the PoEM conference series is on advances in the practice of enterprise modeling through a forum for sharing knowledge and experiences between the academic community and practitioners from industry and the public sector The 16 full and four short papers accepted were carefully reviewed and selected from 39 submissions They reflect different topics of enterprise modeling including business process modeling enterprise architecture investigation of enterprise modeling methods requirements engineering and specific aspects of enterprise modeling Our Primary Expertise Russell T. McCutcheon, 2025-10-14 *Our Primary Expertise* A Future for the Study of Religion brings the author full circle from his first book in 1997 on how claims that religion was unique were used to establish the North America field to his present argument that its future is instead based on the degree to which its findings can be applied in a wide assortment of areas both inside and outside of academia Its previously uncollected essays all with new introductions that frame this timely argument make plain that longstanding critiques of how scholars go about their work have always been about the study of religion's odd home in the humanities a place that's increasingly vulnerable in today's university Calling on members of the field not just to revise their research methods but also the ways that they train the next generation *Our Primary Expertise* is the only work in the field taking seriously that scholars of religion can help to secure the future of their own field if only they're prepared to see the life of the mind as a rhetoric that they can no longer afford *Consumer Price Index Manual* International Monetary Fund, International Labour Office, Statistical Office of the European Communities, United Nations Economic Commission for Europe, Organisation for Economic Co-operation and Development, World Bank, 2025-06-30 The Theory publication and the companion on the practice of compiling consumer price indices CPIs is jointly published by the member agencies of the Inter Secretariat Working Group on Price Statistics IWGPS the Statistical Office of the European Union Eurostat the International Labour Organization ILO the IMF the Organisation for Economic Cooperation and Development OECD the United Nations Economic Commission for Europe UNECE and the World Bank The IMF managed the update of the Theory publication and the CPI Manual Drafting of this publication was led by Erwin Diewert with support from various authors The Theory publication will be translated into Spanish French Arabic and Russian Advances in Speech and Language Technologies for Iberian Languages Juan Luis Navarro Mesa, Alfonso Ortega, António Teixeira, Eduardo Hernández Pérez, Pedro Quintana Morales, Antonio Ravelo Garcia, Iván Guerra Moreno, Doroteo T. Toledano, 2014-11-05 This book constitutes the refereed proceedings of the IberSPEECH 2014 Conference held in Las Palmas de Gran Canaria Spain in November 19-21 2014 The 29 papers presented were carefully reviewed and selected from 60 submissions The papers are organized in topical sections on speech production analysis coding and synthesis speaker and language characterization automatic speech recognition speech of language technologies in different application fields *Educating the Top 100 Percent* Stephen G. Katsinas, Nathaniel J.

Bray, Martha J. Kanter, 2022-08-23 Educating the Top 100 Percent assesses the decline of higher education funding and offers ambitious policy recommendations to restore the possibility of accessible affordable education for all Stephen G Katsinas Nathaniel J Bray and Martha J Kanter probe the complex interplay of federal state and local policies and illustrate how government actions have over time contributed to the long term slide of US educational attainment Declining federal and state funding of public higher education has forced institutions to revise their financial models passing costs directly through to students to the detriment of prospective students and the nation Experts in education policy the authors point out how the unintended consequences of today s funding model deny an ever increasing portion of the population important educational and professional opportunities By providing context for how we arrived at this financial conundrum and analyzing robust quantitative data from national sources Katsinas and his colleagues offer pragmatic sustainable and stable policy options for educating all Americans The authors provide innovative ideas key lessons learned and actionable proposals to fund public higher education Their top down federal and bottom up local and state policy solutions aim to rectify plummeting high school to college continuation and college graduation rates As a result they present a vision of a brighter economic cultural and civic future for educating all Americans Educating the Top 100 Percent demonstrates how stable sustainable funding policies can scaffold a better public higher education system for all *E-book: Ethical Obligations and Decision-Making in Accounting: Text and Cases* Mintz, 2016-04-16 E book Ethical Obligations and Decision Making in Accounting Text and Cases
