Rodanthi Tzanelli

2014 Grade 10 Tourist Pat Memorandum:

Thanatourism and Cinematic Representations of Risk Rodanthi Tzanelli, 2016-04-14 In today's world the need to eliminate natural and human made disasters has been at the forefront of national and international socio political agendas. The management of risks such as terrorism, labour strikes, protests and environmental degradation has become pivotal for countries that depend on their economy's tourist sector. Indeed there is fear that the end of tourism might be nigh due to inadequate institutional foresight. Yet in designing relevant policies to tackle this, arts such as that of filmmaking have yet to receive due consideration. This book adopts an unorthodox approach to debates about the end of tourism. Through twenty first century cinematic narratives of symbolically interconnected risks it considers how art envisages the future of humanity's well being. These risks include migration as an infectious disease, alien incursions as racialized labour, mobilities, cyborg rebellion as the fear of post colonial otherness and zombie anthropophagy as the replacement of rooted identities by nomadic lifestyles. Such filmic scenarios articulate the futuristic survival of community as the triumph of the technological human over otherness and provide a means to debate societal risks that weave identity politics into unequal mobilities. This book will appeal to researchers and students interested in mobilities theory, tourism and travel theory, film studies and aesthetics, globalisation studies, race, labour and migration.

Congressional Record United States. Congress, 2009. The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824*, the *Register of Debates in Congress 1824-1837* and the *Congressional Globe 1833-1873*.
