Under Caesar's Sword Daniel Philpott, Timothy Samuel Shah, 2018-03-15 The first systematic global study of how Christians respond to persecution presenting new research by leading scholars of global Christianity *Protection and Promotion of Freedom of Religions and Beliefs in the European Context* Luca Paladini, Maria del Ángel Iglesias Vázquez, 2023-09-30 This book offers an in depth analysis of a fundamental human freedom and a cornerstone of democracy the Freedom of Religions or Beliefs FoRB The book focuses on the legal protection and promotion of FoRB in Europe because in this context exercising this right goes beyond a mere internal positioning in terms of legislation rather it is influenced by international and supranational case law as well as the promotional activities of selected non state subjects of international law The content is divided into three sections Part I on the European Convention of Human Rights Part II on the EU and Part III on other international actors The first two Parts examine FoRB in its systematic aspects and day to day aspects In contrast the third Part highlights the promotional activities carried out by the Holy See the ILO the Council of Europe beyond the Strasbourg Court and the OSCE to promote recommend or otherwise support it Overall the volume highlights how the exercise of FoRB can be ensured via international and supranational legal protection both normative and judicial and via promotional activities aimed at encouraging and helping states guarantee tolerance and pluralism in their national legislation The 16 main chapters offer a broad overview of the topic under investigation Each contribution can be seen as a stand alone study and simultaneously as a link in a chain of legal analysis that connects multiple FoRB focused questions The book offers a valuable tool for all readers with an academic or professional interest in FoRB and those who have to address the issue of how to protect this freedom It is intended not only for academics who work in the field of law but also for legal practitioners judges lawyers diplomats human rights advocates members of religious and spiritual communities policymakers and students

General Principles of the European Convention on Human Rights Janneke Gerards, 2023-07-13 Provides broad and deep insight in the core concepts and principles of the European Convention on Human Rights Religion and the American Constitutional Experiment John Witte, Joel A. Nichols, 2016 A final chapter shows how favorably American religious freedom compares with international human rights norms and European Court of Human Rights case law Lucid comprehensive multidisciplinary and balanced this volume is an ideal classroom text and armchair paperback Detailed appendices offer drafts of each of the religion clauses debated in 1788 and 1789 a table of all state constitutional laws on religious freedom and a summary of every Supreme Court case on religious liberty from 1815 to 2015 Throughout the volume the authors address frankly and fully the hot button issues of our day religious freedom versus sexual liberty freedom of conscience and its limitations religious group rights and the worries about abuse faith based legal systems and their place in liberal democracies and the fresh rise of anti Semitism Islamophobia and anti Christianity in America and abroad *Yearbook of International Organizations 2013-2014 (Volumes 1a-1b)* Union Of International Associations, Union of International

Collective Intentionality and the Study of Religion Andrea Rota,2023-06-29 Examines philosophical perspectives on collective intentionality and social ontology for the study of religion *An Economic Approach To Religion* Michael McBride,2022-08-29 Why is religion so widespread Why do individuals donate large amounts of time money and effort to religious groups What forms does the religious competition take Why are individuals more religious in some countries than others What is the future of religion This book provides a non technical introduction to how the economic approach answers these and other questions about religion It defines the economic approach to religion and demonstrates how it is used to study a variety of religious decisions It explains how religious groups confront credibility free rider and coordination problems that challenge the collective production of religious goods and services It also examines competition and regulation in religious markets around the world how religious beliefs and preferences are transmitted and sustained how religion likely emerged in humankind s distant past and what the future of religion may hold The book thus demonstrates how the tools and methods of economics provide fresh insight into a variety of religious behaviors This book is intended for a wide audience in and out of economics Though not a textbook per se its discussion questions and suggested readings at the end of each chapter allow for easy incorporation into the classroom The mathematics and statistics used by researchers are generally avoided Both theory and evidence are presented but the focus is on the ideas that provide a coherent conceptual framework

that grounds a deeper exploration of the theoretical and empirical research in the economics of religion **Christians**
Under Covers Kelsy Burke, 2016-02-09 Christians under Covers shifts how scholars and popular media talk about religious conservatives and sex In an ethnography drawn from Christian sexuality websites Kelsy Burke examines how some evangelical Christians use digital media to promote the idea that God wants married heterosexual couples to have satisfying sex lives These evangelicals maintain their religious beliefs while incorporating feminist and queer language into their talk of sexuality encouraging sexual knowledge emphasizing women's pleasure and justifying marginal sexual practices within Christian marriages This book complicates boundaries between normal and subversive empowered and oppressed and sacred and profane Provided by publisher
