Summaries of Projects Completed in Fiscal Year ... National Science Foundation (U.S.),1978 *Summaries of Projects Completed in Fiscal Year ...* , Resources in Education ,1999-10 The Poverty and Education Reader Paul C. Gorski,Julie Landsman,2023-07-03 Through a rich mix of essays memoirs and poetry the contributors to The Poverty and Education Reader bring to the fore the schooling experiences of poor and working class students highlighting the resiliency creativity and educational aspirations of low income families They showcase proven strategies that imaginative teachers and schools have adopted for closing the opportunity gap demonstrating how they have succeeded by working in partnership with low income families and despite growing class sizes the imposition of rote pedagogical models and teach to the test mandates The contributors teachers students parents educational activists and scholars repudiate the prevalent but too rarely discussed deficit views of students and families in poverty Rather than focusing on how to fix poor and working class youth they challenge us to acknowledge the ways these youth and their families are disenfranchised by educational policies and practices that deny them the opportunities enjoyed by their wealthier peers Just as importantly they offer effective school and classroom strategies to mitigate the effects of educational inequality on students in poverty Rejecting the simplistic notion that a single program policy or pedagogy can undo social or educational inequalities this Reader inspires and equips educators to challenge the disparities to which underserved communities are subjected It is a positive resource for students of education and for teachers principals social workers community organizers and policy makers who want to make the promise of educational equality a reality *Summaries of Projects Completed* National Science Foundation (U.S.),
