

Alice S Adventures In Wonderland And Other Classic Works

Rebecca Rowe

Alice's Adventures In Wonderland And Other Classic Works:

Alice's Adventures in Wonderland and Other Classic Works Lewis Carroll, 2014 Lewis Carroll's novels *Alice's Adventures in Wonderland* and *Through the Looking Glass* have entertained readers young and old for more than a century. Their magical worlds, amusing characters, and playfully logical illogic epitomize the wit and whimsy of Carroll's writing. *Alice's Adventures in Wonderland and Other Classic Works* collects both of the Alice novels, each featuring the classic illustrations of John Tenniel. In addition, this volume features the novels *Sylvie and Bruno* and *Sylvie and Bruno Concluded*, the classic nonsense poem *The Hunting of the Snark*, and the full contents of the poetry collection *Phantasmagoria*. All **Alice's Adventures in Wonderland and Other Stories** Lewis Carroll, 2013-11-01 Scurry down the rabbit hole and step through the looking glass with this compilation of works from Lewis Carroll. Don't be late; it's a very important date. Witty, whimsical, and often nonsensical, the fiction of Lewis Carroll has been popular with both children and adults for over 150 years. *Canterbury Classics's Alice's Adventures in Wonderland* takes readers on a trip down the rabbit hole in *Alice's Adventures in Wonderland*, where height is dynamic, animals talk, and the best solutions to drying off are a dry lecture on William the Conqueror and a Caucus Race in which everyone runs in circles and there is no clear winner. *Through the Looking Glass* begins the adventure anew when Alice steps through a mirror into another magical world where she can instantly be made queen if she can only get to the other side of the colossal chessboard. Complete with the original drawings by John Tenniel, this edition is a steal for new readers and Carroll fans alike. *Alice's Adventures in Wonderland and Other Tales* Lewis Carroll, 2016-07 Delve into this stunning gift edition boasting the complete collection of *Alice's Adventures in Wonderland* and *Other Tales* and original iconic illustrations by John Tenniel. The next edition in the Knickerbocker Classic series, *Alice's Adventures in Wonderland and Other Tales*, features the writings of Lewis Carroll, the master of puns, puzzles, and fantasy that have been delighting adults and children alike for over 150 years. This volume is comprised of both Alice books, *Alice's Adventures in Wonderland* and *Through the Looking Glass*, the nonsense poems including *The Hunting of the Snark* and *Jabberwocky*, the novels *Sylvie and Bruno* and *Sylvie and Bruno Concluded*, and essays and other miscellaneous writings of this prolific writer. For Lewis Carroll fans worldwide, this stunning gift edition with an elegantly designed cloth binding features a slipcase, ribbon marker, and a new introduction by Lori Campbell. *Alice's Adventures in Wonderland* Lewis Carroll, 2005 This Prestwick House Literary Touchstone Edition includes a glossary and reader's notes to help the modern reader contend with Lewis Carroll's language, themes, and symbols. *Alice's Adventures in Wonderland*, first published in 1865, is usually thought of as a simple fantasy tale for children, enjoyable for its fun and whimsy. Through the years, though, the book has grown to become one of the most popular novels in literature, both for children and adults. Deeper than mere fantasy, *Alice* is a text rich in symbolism, satire, and thematic levels of meaning. The rigid and often nonsensical society filled with odd situations, incomprehensible rules, and unforgettable characters that Carroll allows us to enter is one that readers will fondly remember for the rest of

their lives **Alice's Adventures in Wonderland & Other Stories** Lewis Carroll,2010 **Alice's Adventures in Wonderland and Through the Looking-Glass** Lewis Carroll,2010-11-16

Post-Socialist Translation Practices Nike K. Pokorn,2012-10-31 The book Post Socialist Translation Practices explores how Communism and Socialism through their hegemonic pressure found expression in translation practice from the moment of Socialist revolution to the present day Based on extensive archival research in the archives of the Communist Party and on the interviews with translators and editors of the period the book attempts to outline the typical and defining features of the Socialist translatorial behaviour by

re reading more than 200 translations of children's literature and juvenile fiction published in the Socialist Federal Republic of Yugoslavia SFRY. Despite the variety of different forms of censorship that the translators in all Socialist states were subject to, the book argues that Socialist translation in different cultural and linguistic environments, especially where the Soviet model tried to impose itself, purged the translated texts of the same or similar elements, in particular of the religious presence. The book also traces how ideologically manipulated translations are still uncritically reprinted and widely circulated today.

Children's Literature and Culture Rebecca Rowe, 2025-08-08. *Children's Literature and Culture: An Introduction* guides readers in the study of culture in and around and through children's literature. Children's literature has long been used as a mechanism by which a culture passes its values from one generation to the next. Because of this culturally didactic purpose, children's literature can be viewed as one of the most fruitful areas of study of any given culture. At the same time, studying the cultures from which works of children's literature emerge and in which they circulate can also help better understand not only the ideas of childhood that underpin individual texts for children but the role they play in the construction and transmission of different cultural ideologies. This book teaches readers this double work of using culture to understand children's literature and vice versa. This volume traces the scholarly methodologies and histories that have attended the study of each of the 20 chapters given subject from the representation of race in and around children's literature to questions of censorship to how libraries can and do shape children's literature. In the process, it prepares readers to confidently enter and forward scholarly debates and to teach such debates to their own students.

International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02. Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization.
