All Quiet On The Western Front:

All Quiet on the Western Front Erich Maria Remarque, 2013-09-03 The masterpiece of the German experience during World War I considered by many the greatest war novel of all time with an Oscar winning film adaptation now streaming on Netflix Erich Maria Remarque is a craftsman of unquestionably first rank The New York Times Book Review I am young I am twenty years old yet I know nothing of life but despair death fear and fatuous superficiality cast over an abyss of sorrow This is the testament of Paul Bäumer who enlists with his classmates in the German army during World War I They become soldiers with youthful enthusiasm But the world of duty culture and progress they had been taught breaks in pieces under the first bombardment in the trenches Through years of vivid horror Paul holds fast to a single vow to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another if only he can come out of the war alive [all quiet on the western front](#) erich maria remarque, 1956 **All Quiet on the**

Western Front Robert Waterhouse, Erich Maria Remarque, 2019-08-12 Based on the novel by Erich Maria Remarque In October 1918 a month before the end of World War I Paul Bäumer is shot and killed by a sniper on the western front He is the last of his classmates to fall in a war that will destroy many in his generation and disillusion those who remain ALL QUIET ON THE WESTERN FRONT chronicles Paul's observations of life and death in the mud of the trenches and the impossibility of returning to civilian life after living in hell Paul Müller, Kat and Kropp are all brought briefly to life in this adaptation of one of the great anti war classics of the twentieth century *Understanding Erich Maria Remarque* Hans Wagener, 1991 In this book Wagener presents the life and work of the German writer Erich Maria Remarque whose antiwar and exile novels have sold millions of copies worldwide The author tells of Remarque's fascinating life as a child in the Westphalian city of Osnabrück as a soldier in World War 1 as a newspaper editor in Hannover and Berlin as the famed author of *All Quiet on the Western Front* and as a German living in exile in Switzerland and the United States Wagener then provides an in depth analysis of Remarque's novels placing them in the context of 20th century history A discussion of their aesthetic merits as well as their reception in the United States and in Germany is also included **World War II, Film, and History** John Whiteclay Chambers II, David Culbert, 1996-10-10 The immediacy and perceived truth of the visual image as well as film and television's ability to propel viewers back into the past place the genre of the historical film in a special category War films including antiwar films have established the prevailing public image of war in the twentieth century For American audiences the dominant image of trench warfare in World War I has been provided by feature films such as *All Quiet on the Western Front* and *Paths of Glory* The image of combat in the Second World War has been shaped by films like *Sands of Iwo Jima* and *The Longest Day* And despite claims for the alleged impact of widespread television coverage of the Vietnam War it is actually films such as *Apocalypse Now* and *Platoon* which have provided the most powerful images of what is seen as the reality of that much disputed conflict But to what degree does history written with lightning as Woodrow Wilson allegedly

said represent the reality of the past To what extent is visual history an oversimplification or even a distortion of the past Exploring the relationship between moving images and the society and culture in which they were produced and received World War II Film and History addresses the power these images have had in determining our perception and memories of war Examining how the public memory of war in the twentieth century has often been created more by a manufactured past than a remembered one a leading group of historians discusses films dating from the early 1930s through the early 1990s created by filmmakers the world over from the United States and Germany to Japan and the former Soviet Union For example Freda Freiberg explains how the inter racial melodramatic Japanese feature film China Nights in which a manly and protective Japanese naval officer falls in love with a beautiful young Chinese street waif and molds her into a cultured submissive wife proved enormously popular with wartime Japanese and helped justify the invasion of China in the minds of many Japanese viewers Peter Paret assesses the historical accuracy of Kolberg as a depiction of an unsuccessful siege of that German city by a French Army in 1807 and explores how the film released by Hitler s regime in January 1945 explicitly called for civilian sacrifice and last ditch resistance Stephen Ambrose contrasts what we know about the historical reality of the Allied D Day landings in Normandy on June 6 1944 with the 1962 release of The Longest Day in which the major climactic moment in the film never happened at Normandy Alice Kessler Harris examines The Life and Times of Rosie the Riveter a 1982 film documentary about women defense workers on the American home front in World War II emphasizing the degree to which the documentary s engaging main characters and its message of the need for fair and equal treatment for women resonates with many contemporary viewers And Clement Alexander Price contrasts Men of Bronze William Miles s fine documentary about black American soldiers who fought in France in World War I with Liberators the controversial documentary by Miles and Nina Rosenblum which incorrectly claimed that African American troops liberated Holocaust survivors at Dachau in World War II In today s visually oriented world powerful images even images of images are circulated in an eternal cycle gaining increased acceptance through repetition History becomes an endless loop in which repeated images validate and reconfirm each other Based on archival materials many of which have become only recently available World War II Film and History offers an informative and a disturbing look at the complex relationship between national myths and filmic memory as well as the dangers of visual images being transformed into reality All Quiet on the Western Front Erich Maria Remarque,1929 The masterpiece of the German experience during World War I considered by many the greatest war novel of all time with an Oscar winning film adaptation now streaming on Netflix Erich Maria Remarque is a craftsman of unquestionably first rank The New York Times Book Review I am young I am twenty years old yet I know nothing of life but despair death fear and fatuous superficiality cast over an abyss of sorrow This is the testament of Paul Bäumer who enlists with his classmates in the German army during World War I They become soldiers with youthful enthusiasm But the world of duty culture and progress they had been taught breaks in pieces under the first bombardment in the

trenches Through years of vivid horror Paul holds fast to a single vow to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another if only he can come out of the war alive
