Figures of Radical Absence

Alexandra-Ecaterina Irimia,2023-10-04 What is there to see in invisible artworks empty books or blank screens How do formal absences generate meaning Constructing an argument by way of montage this book is an annotated inventory of textual visual and conceptual figures of absence Spanning different media it reveals a creative tradition that uses absence not as a negative aesthetic category but as a productive state of radical indeterminacy with its own politics and poetics Although post structuralism highlighted the importance of what is offstage lost forgotten hidden or discarded silent or silenced the poetics and politics of absence much like its ethics and aesthetics have rarely been discussed across media and disciplines This book proposes the concept of radical absence to describe a certain tradition of resistance to ontology predication and representation contesting their reliance on a metaphysics of presence Apophatic speech empty signifiers and figural voids are some of the figures through which radical absence becomes apparent with unprecedented intensity in twentieth century theory literature film and the arts Phantasmatic and outrageous such figures play with creative strategies of dematerialization irony and other forms of discursive undoing Therefore absence becomes more than a simple theme it reflects back on the medium and the meaning making conditions under which it operates Elusive and imprecise as an object of study absence requires more subtle and flexible epistemological frameworks than have been available to date This monograph proposes we think of it not only as a counter concept for presence but also and perhaps more productively as infinite spacing deferral fragmentation and displacement

The State and the Self Maren Behrens, 2017-11-01 In this fascinating and timely book Maren Behrens facilitates a conversation between philosophy and the practitioners of identity What makes a person the same person over time This question has been studied throughout the history of philosophy Yet philosophers have never fully engaged with the practitioners of identity namely technology developers lawyers politicians sociologists and applied ethicists The book offers an answer to the metaphysical question of personal identity and tries to show how this question is of immediate relevance to the various practices of identity management particularly in the fields of administration counter terrorism activities and gender reassignment Behrens argues that identity documents and other markers of identity such as biometric samples are not merely representations of but actually help constitute personal identity The metaphysical fact of personal identity lies in these supposedly external features The book goes on to focus on issues relating to trust and security terms central to the ethics of new technologies and in work on new identity management technologies

The Experimental Translator Douglas Robinson, 2023-01-24 This book celebrates experimental translation taking a series of exploratory looks at the hypercyborg translator the collage translator the smuggler translator and the heteronymous translator The idea isn't to legislate traditional translations out of existence or to win some kind of literary competition with the source text but an exuberant participation in literary creativity Turns out there are other things you can do with a great written work and there is considerable pleasure to be had from both the doing and the reading of such things This book will be of interest to literary translation studies researchers as well as scholars and practitioners of experimental creative writing and avant garde art postgraduate translation students and professional literary translators

The Cave José Saramago,2003-10-15 An unassuming family struggles to keep up with the ruthless pace of progress in a genuinely brilliant novel from a Nobel Prize winner Chicago Tribune A Los Angeles Times Best Book of the Year and a New York Times Notable Book Cipriano Algor an elderly potter lives with his daughter Marta and her husband Mar al in a small village on the outskirts of The Center an imposing complex of shops apartments and offices Mar al works there as a security guard and Cipriano drives him to work each day before delivering his own humble pots and jugs On one such trip he is told not to make any more deliveries People prefer plastic apparently Unwilling to give up his craft Cipriano tries his hand at making ceramic dolls Astonishingly The Center places an order for hundreds and Cipriano and Marta set to work until the order is cancelled and the penniless trio must move from the village into The Center When mysterious sounds of digging emerge from beneath their new apartment Cipriano and Mar al investigate what they find transforms the family s life in a novel that is both irrepressibly funny The Christian Science Monitor and a triumph The Washington Post Book World The struggle of the individual against bureaucracy and anonymity is one of the great subjects of modern literature and Saramago is often matched with Kafka as one of its premier exponents Apt as the comparison is it doesn t convey the warmth and rueful human dimension of novels like Blindness and All the Names Those qualities are particularly evident in his latest brilliant dark allegory which links the encroaching sterility of modern life to the parable of Plato s cave a remarkably generous and eloquent novel Publishers Weekly Translated from the Portuguese by Margaret Jull Costa

Cain José Saramago,2011-10-04

A winkingly blasphemous retelling of the Old Testament by the Nobel Prize winning author of *The Gospel According to Jesus Christ* *The New Yorker* In Jos Saramago final novel he daringly reimagines the characters and narratives of the Old Testament Placing the despised murderer Cain in the role of protagonist this epic tale ranges from the Garden of Eden when God realizes he has forgotten to give Adam and Eve the gift of speech to the moment when Noah's Ark lands on the dry peak of Ararat Condemned to wander forever after he kills his brother Abel Cain makes his way through the world in the company of a personable donkey He is a witness to and participant in the stories of Isaac and Abraham the destruction of the Tower of Babel Moses and the golden calf and the trials of Job Again and again Cain encounters a God whose actions seem callous cruel and unjust He confronts Him he argues with Him And one thing we know for certain Saramago writes is that they continued to argue and are arguing still Cain's vagabond journey builds to a stunning climax that like the book itself is a fitting capstone to a remarkable career Publishers Weekly starred review This ebook includes a sample chapter of Jose Saramago's *Blindness*

[The Tale of the Unknown Island](#) José Saramago, 2000-10-05 A dreamer petitions his king for a boat and gets more than he bargained for in this richly enigmatic short story by the Nobel Prize winning author Kirkus A man went to knock at the king's door and said Give me a boat The king's house had many other doors but this was the door for petitions But the king spent all his time sitting at the door for favors favors being offered to the king you understand whenever he heard someone knocking at the door for petitions he would pretend not to hear So begins this beautifully illustrated and deceptively simple fable Why the petitioner required a boat where he was bound for and who volunteered to crew for him the reader will soon discover In a departure from his linguistically dense and sprawling historical novels Jose Saramago presents a philosophic love story worthy of Swift or Voltaire

Blindness José Saramago, 2013-08-23 A stunningly powerful novel of humanity's will to survive against all odds during an epidemic by a winner of the Nobel Prize for Literature An International Bestseller This is a shattering work by a literary master Boston Globe A city is hit by an epidemic of white blindness which spares no one Authorities confine the blind to an empty mental hospital but there the criminal element holds everyone captive stealing food rations and raping women There is one eyewitness to this nightmare who guides seven strangers among them a boy with no mother a girl with dark glasses a dog of tears through the barren streets and the procession becomes as uncanny as the surroundings are harrowing A magnificent parable of loss and disorientation Blindness has swept the reading public with its powerful portrayal of our worst appetites and weaknesses and humanity's ultimately exhilarating spirit This is a an important book one that is unafraid to face all of the horror of the century Washington Post A New York Times Notable Book of the Year A Los Angeles Times Best Book of the Year

[Genetic Translation Studies](#) Ariadne Nunes, Jeremy Munday, Joana Moura, Marta Pacheco Pinto, Kathryn Batchelor, 2022-04-21 Examining the research possibilities debates and challenges posed by the emerging field of genetic translation studies this book demonstrates how both theoretically and empirically genetic criticism can shed much needed light on translators

archives the translator figure and the creative process of translation Genetic Translation Studies analyses a diverse range of translation materials including manuscripts typographical proofs personal papers letters testimonies and interviews in order to give visibility body and presence to translators Chapters draw on translations of works by authors such as Saint John Perse Nikos Kazantzakis Ren Char Ant nio Lobo Antunes and Camilo Castelo Branco in each case revealing the conflicts and collaborations between translators and other stakeholders including authors editors and publishers Covering an impressive array of language contexts from Portuguese English and French to Greek Finnish Polish and Sanskrit this book demonstrates the value of the genetic turn in translation studies and offers new ways of working with translator correspondences
