The interesting kids book Barbie and the Magic of the Rainbow takes readers to a world where being kind brave and determined are the most important things We meet Barbie in a beautiful town surrounded by hills and forests She is a unique young girl known for being very kind very curious and having a mind as bright as the rainbow Barbie s amazing trip starts with her grandmother telling her stories about rainbows Her grandma told her stories about how these rainbows connect the real world to a magical land full of adventures and true dreams for those who are brave enough to follow their bright colors Barbie goes on an exciting trip into the woods one sunny morning after a light rainy night She gets the idea from her grandmother s magical stories As she follows a faint tinkling sound that sounds like small bells ringing in the distance she goes deeper into a beautiful forest full of fragrant wildflowers Barbie keeps going on her trip and finds a clearing in the bush where a beautiful rainbow touches the ground She had no idea that she would see something so bright and colorful She eagerly reaches out to touch it and all of a sudden she is taken to a wonderful world Barbie finds talking animals fairies with gossamer wings and wind talking secrets in this magical area You can let your mind run wild and make your dreams come true there As Barbie looks into it she becomes friends with Stardust the friendly horse who watches over this magical place Stardust says that the rainbow s colors are fading which puts the survival of their land at risk He tells Barbie that she needs to go on a quest to find the lost color crystals which are buried in the most difficult and hidden places in order to save them Barbie doesn t think twice about taking on the challenge and sets out with Stardust to find each color crystal We hit some problems that test her guts smarts and determination The Rainbow Realm comes back to life as the rainbow colors come back with each gem she gets Barbie s mission finally brings back the rainbow s bright colors which keeps the Rainbow Realm from becoming less visible Stardust shows how powerful love and kindness can be while also honoring her strength and determination Barbie stays true to her identity and goes back to her planet but her heart will always be in the Rainbow Realm She talks to the rainbow one last time and then goes back to her home world to tell everyone about her amazing experience and the lessons she s learned Her story is told from one family to the next to remind people that magic exists and that if they are kind brave and determined their dreams can come true Because she used what she learned in the Rainbow Realm to make the lives of those around her better Barbie has continued to inspire people You can find hope in her story and it will tell you that the most beautiful magic comes from the heart Barbie and the Magic of the Rainbow is a classic story that tells people that their hearts hold the deepest and most lasting magic and inspires them to follow the values of kindness bravery and persistence This is how the story starts A long time ago there was a smart little girl named Barbie who lived in a cute little town surrounded by big forests and rolling hills There was something very different about Barbie as a child She had a kind heart was always interested in new things and had a mind as bright as a rainbow Nestled in the peaceful beauty of nature s wealth Barbie s simple home was a safe haven of love and warmth Everyone who met her felt loved because her heart was like a well of goodness Being excited always interested and always looking for new things to learn drove her to try

new things Her mind was as varied as an artist's palette and everything she touched turned into a new work of art Barbie looked forward to every morning because she got to explore the world outside of her quiet town and discover the secrets that were hidden below the surface of the earth As she danced over the rolling emerald covered ground the sound of her laughter could be heard through the thick greenery of the green hills adding to the peaceful atmosphere Barbie's soul expanded like a beautiful tapestry with each step Because she was so interested in everything the world around her became a blank canvas ready to be painted and every exchange was a vivid brushstroke of her imagination She was excited about every day like the sun rising ready to explore the new worlds of information that were calling her Barbie was so beautiful that people were drawn to her like bees to nectar The kindness and love in her heart became a light for people who needed support and understanding Her heart was as open as her ears and she helped those in need by giving them comfort and advice Nature also seemed to enjoy being with Barbie Birds sat on her outstretched hand and sang to her as if they were drawn to the melody inside her Flowers grew with an unmatched brightness and the petals showed how strong her beliefs were Even the most scared animals came up to her and trusted that she would show them the way through the forest Even though Barbie was beautiful every day she had a deep pain in her heart Her grandma told her stories about how rainbows would appear in the sky after it rained a lot These rainbows were more than just bright lines they were magical doors that led to other worlds of magic and people dreams and adventure She woke up one beautiful morning to the sound of birds singing after a light rainy night As she told her grandmother's stories she felt a rush of amazing joy through her body She felt compelled to explore the mysterious woods around her home by a constant whisper in her ear She went deeper into the forest and the air filled with the sweet smell of wildflowers The green canopy above her got thicker as well She jumped when she heard weak music that sounded like a bell chime far away The music caught her attention and as it slowly got stronger took her on a dreamlike journey She kept going deeper and deeper into the bush as the music led her As if a long kept secret were about to be revealed everything around her seemed to be building up for it As they walked the sparkling sounds got more beautiful and clearer
