Alias Billy The Kid The Story Of Brushy Bill Roberts:

Alias Billy the Kid C. L. Sonnichsen, William V. Morrison, Daniel A. Edwards, 2014-10-03 In 1949 a childhood friend of Billy the Kid claimed Billy was still living and led investigators to a man in Texas known as William H Brushy Bill Roberts After initially denying it Brushy finally agreed to confess his identity on the condition the investigator would help him obtain a pardon so he could die a free man Over the course of several months Mr Roberts provided many astounding proofs that he was the Kid of legend including physical evidence and firsthand knowledge of many obscure aspects of the Kid s life In addition the investigator assisted Roberts with finding living acquaintances of Billy the Kid who signed sworn affidavits stating Roberts was the man they knew Now after more than 50 years Brushy s original story is available for the first time ever in paperback

Brushy Bill Roy L. Haws, 2015-03-17 For many years a man known as Brushy Bill Roberts proclaimed to all who would listen that he was the historical and legendary Billy the Kid alive and well And there were various books written that claimed this to be true As a result many became convinced of the validity of Brushy s claim and Brushy s elaborate fable has continued to capture the imagination In this book the author has attempted to dispel the elaborate hoax once and for all Brushy Bill Roberts was not Billy the Kid He was in fact just an interesting elderly man known by his family and acquaintances as a colorful Old West storyteller

Thunder in the West Richard W. Etulain, 2020-07-09 Even before he was shot and killed in 1881 Billy the Kid's charisma and murderous career were generating stories that belied his brief life and that only multiplied growing to legendary proportions after his death at age twenty one In *Thunder in the West* Richard W Etulain takes the true measure of Billy the man and the legend and presents the clearest picture yet of his life and his ever shifting place and presence in the cultural landscape of the Old West Billy the Kid born Henry McCarty in 1859 and also known as William H Bonney emerges from these pages in all his complexity at once a gentleman and gregarious companion and a thief and violent murderer Tapping new depths of research Etulain traces Billy's short life from his mysterious origins in the East through his wanderings in New Mexico Arizona and Texas As we move from his peripatetic early years through the wild West to his fatal involvement in the Lincoln County Wars we see the impressionable boy give way to the conflicted young man and finally to the opportunistic and often amoral outlaw who was out for himself for revenge and for whatever he could steal along the way Against this deftly drawn portrait Etulain considers the stories and myths spawned by Billy's life and death Beginning with the dime novels featuring Billy the Kid even during his lifetime and ranging across the myriad newspaper accounts novels and movies that alternately celebrated his outlaw life and condemned his exploits Etulain offers a uniquely informed view of the changing interpretations that have shaped and reshaped the reputation of this enduring icon of the Old West In his portrayal Billy the Kid lives on not as a cut throat desperado or a young charmer but as both hero and villain myth and man fully realized in this twenty first century interpretation
