All That Shimmers Piece Us Back Together English Edition:

Mother Tongues Barbara Johnson, 2003-11-30 Charles Baudelaire Walter Benjamin and Sylvia Plath make up the odd trio on which this book is based It is in the surprising and revealing links between them links pertaining to troublesome mothers elusive foreign languages and professional disappointments that Barbara Johnson maps the coordinates of her larger claims about the ideal of oneness in every area of life and about the damage done by this ideal The existence of sexual difference precludes an original or ultimate one who would represent all of mankind the plurality of languages makes it impossible to think that one doesn't live in translation and the plurality of the sexes means that every human being came from a woman's body and some will reproduce this feat while others won't In her most personal and deeply considered book about difference Johnson asks Is the mother the guardian of a oneness we have never had The relations that link mothers bodies words and laws serve as the guiding puzzles as she searches for an answer *Weekly Compilation of Presidential Documents*, 1996

Blue Mercy Orna Ross, 2020-09-21 A literary family drama with patricide at its heart When Mercy Mulcahy was 40 years old she was accused of killing her elderly and tyrannical father Now at the end of her life she has completed a book about what really happened on that fateful night of Christmas Eve 1989 The tragic and beautiful Mercy has devoted her life to protecting Star from her grandfather His behavior so blighted her own life as a child she never wanted it to touch her darling daughter Yet Star refuses to read a word Her contempt for Mercy is as painful as it is inexplicable What has Mercy done What is she hiding Was her father s death as many believe an assisted suicide Or something even more sinister In this book nothing is what it seems on the surface and everywhere there are emotional twists and surprises Set in Ireland and California Blue Mercy is a compelling family mystery combining lyrical description with a page turning style Praise for Orna Ross and Blue Mercy A lyrical gripping and heartbreakingly beautiful tale of love loss and the ever present possibility of redemption WE Magazine for Women Epic sweep ambitious scope an intelligent book Sunday Tribune A riveting story vividly brought to life Emigrant Online *The Turn of the Screw and Other Short Works* Henry James, 2016-05-03 Four of the best known and best loved works of short fiction by a recognized master of the genre Henry James was a master of psychology subtlety and suspense He created fear by using shadows rather than by conjuring up monsters He created terror by showing the eyes of the terrorized not by revealing what horrifying vision they had seen While The Turn of the Screw induces fear through general impressions and subjective visions the other stories in this volume probe different uncomfortable feelings desire longing deep dissatisfaction The four novellas in this collection The Turn of the Screw Daisy Miller The Aspern Papers The Beast in the Jungle each offers its own surprise twist an unexpected event or understanding that alters how the story is understood And with each surprise James reminds us that terror and tragedy can spring up even in the most banal settings and that one need look no further than one s own heart to find fear **An Etymological Dictionary of the English Language** Walter W.
