All My Life Susan Lucci, Laura Morton, 2011-09-13 The Daytime Emmy winning television superstar recounts her life and her four decades as Erica Kane on the soap opera All My Children When Susan Lucci and All My Children were introduced to the world in 1970 American television changed forever Susan's character the beautiful spirited and mercurial Erica Kane was an original the first vixen viewers loved to hate But while millions have enjoyed getting to know Erica's many sides the woman who played her has remained a mystery In her long awaited memoir this very private actress wife mother daughter grandmother sister friend and entrepreneur pulls back the curtain to reveal her story As charming down to earth and compelling as the woman whose story it tells All My Life shines a spotlight on one of our most popular stars and reminds us of the power dreams and how we can find the courage and tenacity to make them come true On My Own Mary V. DeMassa, 2010-01-22 I have decided to tell the story of my life I intend to include information about my parents and my brother and as I recall various events I will include stories about other relatives and friends as well We were an especially close family and our lives always revolved around one another I believe this closeness was fostered by the love my parents had for each other and they passed this love to each of us In addition Tommy and I were highly respected and encouraged by Mom and Dad all through their lives They loved to take credit for all we achieved as well they should have We always did the best we could But they gave us the chance and the backing we needed Especially because Tommy and I were deeply loved by our parents we gained confidence and assurance We knew where we stood from the beginning And we could always count on Mom and Dad for anything we needed In addition my parents deeply loved their families They passed on this love to us through their close relationships with their brothers sisters cousins and relatives in Italy and Romania as well as their many friends Family came first all through our lives There may have been disagreements but they were only occasional and the closeness returned We were always thrilled to receive letters from the relatives overseas and the letters were read word for word to each other I always felt part of the larger family even though I did not understand the language My mother interpreted for us so we knew what was said and what the news was Since my brother Tommy died so suddenly on November 14 2003 I have felt a loss so deep I sometimes feel I can barely continue The hurt never goes away I want to share the reasons for my closeness to Tommy so our family and friends can better understand For me Tommy represented everything in life my upbringing my parents and nearly all the things I experienced up to the present time He was the one single family member to talk to who understood all of me I never thought of life without Tommy It has been a terrible blow and of course I realize this is true for our family and friends also Further since I have begun to think out what I want to write I have expanded my goal to include additional stories and descriptions of our family which will explain and bridge the generations of individuals who made up our lives Perhaps other cousins and their children and other friends too will be interested in my story I hope to include pictures letters and other materials which will be a history of our family to leave as my legacy to

nieces and nephew and their children and to others Even now it is possible that only three great grandchildren will remember my mother their great Grandma GG She loved them dearly and I hope to leave them some wonderful memories and important information they can pass on to their children I think they need to know where they came from down through our European roots and what our family was like Otherwise I am afraid all would be lost Who will be left to tell our story There are very few relatives left even now who remember So I have decided to try to tell this larger story in addition to describing my life There are other persons who know some of my life s history also and as time permits I will talk to them to add or correct information namely Auntie Nina Mom s sister or her children Jennie Ray my first cousin and friend and Octavia Lina Hirschmann Mom s first cousin Or Octavia s children Carol Borthwaite Colorado or Fred Hirschmann Alaska In addition my sister in law Joann will be of help as needed to give information about Tommy Joann will have her story to tell also As time passes there are fewer and fewer people to ask about our history and I hope to be as accurate as possible Most everyone I have talked to about this project has been supportive Several have even said that they too would like to leave some history for their families So

Confederate Sheet Music E. Lawrence Abel, 2015-06-14 During the American Civil War songs united and inspired people on both sides The North had a well established music publishing industry when the war broke out but the South had no such industry The importance of music as an expression of the South s beliefs was obvious as one music publisher said The South must not only fight her own battles but sing her own songs and dance to music composed by her own children Southern entrepreneurs quickly rose to the challenge This reference book is distinguished by three major differences from previously published works First it lists sheet music that is no longer extant and listed nowhere else Second it gives complete lyrics for all extant songs a rich source for researchers And third a brief historical background has been provided for many of the songs Each entry provides as much of the following as possible staying faithful to the typography of each title page the title as published names of all lyricists composers and publishers dates of publication cities of publication and if applicable the names of catalogs or magazines in which the song appeared Music published in Southern cities under Federal occupation is excluded
