were temporal but love abides Although 1 Cor 13 may seem familiar to many this chapter is often one of the most misunderstood parts of the New Testament The Corinthians elevation of spiritual gifts over love is seen in places such as 12 13 25 14 27 33 40 It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle For instance love suffers long 13 4 but tongue speakers at Corinth were impatient 14 27 28 Love does not envy 13 4 but the Corinthians envied the gifts of others chapter 12 Love is not puffed up 13 4 but tongue speakers were proud compare 13 1 Love causes people to act in a kind and orderly way but some of the Corinthians behavior was disorderly 14 23 40 Love is not unseemly but the Corinthians were at risk of unseemly behavior in their families 1 Cor 7 36 as well as their Sunday assemblies 1 Cor 11 2 16 17 34 Agape love does not seek its own 13 5 but these Christians were seeking their own see 1 Cor 8 and the discussion about idol meat Love keeps people from rejoicing in evil 13 6 but the Corinthians rejoiced in evil 1 Cor 5 2 6 There were various things that provoked these brethren 13 5 and it seems they were keeping a record of evil 1 Cor 13 5 It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears all things believes all things hopes in all things and endures all things 1 Cor 13 7

Tafoya,2009-10-07 CAN ONE BOOK CHANGE THE WORLD The answer is a resounding Yes In his first book Jack Tafoya unveiled How NUMBERS CONTROL OUR LIVES This book goes a step further to challenge the two all time best sellers in a way never seen before Jack explains the covert connection between the bible The Word of God and the dictionary God of The Words And more importantly how the English Language controls our civilization This book explains how the English Language is the source of power behind religion education and the government the ultimate tool of social control that hidden and powerful interests use to enslave us It shows how the dictionary defines the way thoughts and concepts are formed using English as the language medium It also reveals how the bible defines behaviorism religious beliefs and social mores while serving as a foundation for government in the U S Canada and Britain This one of a kind book offers you a very clever and provocative look at how the English Language is used to manipulate people s thoughts and how America has become the pawn to control the worlds masses It lays out clearly how language shapes human thought via the media and how large bodies of human thought energy can shape events It takes the reader deep into the mystery surrounding the origins of the English Language the most ingenious and diabolical mind control tool ever devised by man How could anything be more powerful dictatorial and persuasive than this This book has the answers painstakingly brought forth by its author over many years of deep research It explores how separate languages were selectively merged together to form a powerful covert tool

This synthesis became the vicarious confusing Universal English Language that controls us all *Action and Character*
According to Aristotle Kevin L. Flannery, 2013-09-24 Aristotle according to the author depicts the way in which human acts of various sorts and in various combinations determine the logical structure of moral character Some moral characters or character types manage to incorporate a high degree of practical consistency others incorporate less without forfeiting their basic orientation toward the good Still others approach utter inconsistency or moral deprivation although even these insofar as they are responsible for their actions retain a core element of rationality in their souls According to Aristotle moral character depends ultimately on the structure of individual acts and on how they fit together into a whole that is consistent or not consistent with justice and friendship From publisher s description *Course 1 Applications and Connections*
