Nomadic Cinema

Alison Griffiths, 2025-04-15 From In Borneo the Land of the Head Hunters to The Epic of Everest to Camping Among the Indians the early twentieth century was the heyday of expedition filmmaking As new technologies transformed global transportation and opened new avenues for documentation and as imperialism and capitalism expanded their reach Western filmmakers embarked on journeys to places they saw as exotic seeking to capture both the monumental and the mundane Their films portrayed far flung locales the hardships of travel and the day to day lives of Indigenous people through a deeply colonial lens Nomadic Cinema is a groundbreaking history of these films analyzing them as visual records of colonialism that also offer new possibilities for recognizing Indigenous histories Alison Griffiths examines expedition films made in Borneo Central Asia Tibet Polynesia and the American Southwest reinterpreting them from decolonial perspectives to provide alternative accounts of exploration She considers the individuals and institutions including the American Museum of Natural History responsible for creating the films the spectators who

sought them out and the Indigenous intermediaries whose roles white explorers minimized Ambitious and interdisciplinary Nomadic Cinema ranges widely from the roots of expedition films in medieval cartography and travel writing to still emerging technologies of virtual and augmented reality Highlighting the material conditions of filmmaking and the environmental footprint left by exploration this book recovers Indigenous memory and sovereignty from within long buried sources *Popular Mechanics* ,2003-02 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *Minerals Yearbook* ,2000 **Ad \$ Summary** ,2005 Advertising expenditure data across ten media consumer magazines Sunday magazines newspapers outdoor network television spot television syndicated television cable television network radio and national spot radio Lists brands alphabetically and shows total ten media expenditures media used parent company and PIB classification for each brand Also included in this report are industry class totals and rankings of the top 100 companies of the ten media
