Picture a coach once brimming with passion and purpose now drowning in a sea of unfulfilled tasks and overwhelming responsibilities. This was the reality for Sarah, a dedicated life coach who found herself overwhelmed by her burgeoning client list and the myriad of administrative duties that accompanied it. Each day felt like an uphill battle with her dreams fading into the background as she struggled to keep pace. However, everything changed when she discovered Master Your Time. This transformative resource offered her not just free planners and productivity tools but also a lifeline, a structured approach to time management that reignited her passion for coaching. With meticulously designed planners that catered specifically to her needs, Sarah learned to prioritize her tasks effectively, carving out precious moments for both her clients and her The once distant dream of achieving work-life balance became a tangible reality as she embraced these tools. The dramatic shift in her life was palpable; she transformed from a frazzled coach into a powerhouse of productivity, inspiring others with her newfound clarity and focus. Master Your Time is not merely a collection of planners; it is an invitation to reclaim your time, harness your potential, and master the art of living fully. An essential companion for any coach ready to rise above the mist and shine brightly in their calling.

Psychosocial Occupational Therapy - E-BOOK Nancy Carson, 2024-12-11. Develop the psychosocial skills to treat and address the mental health needs of clients in all practice settings. Psychosocial Occupational Therapy, Second Edition, uses evidence-based models to demonstrate effective occupational therapy for clients diagnosed with mental health conditions. Clearly and logically organized, the book begins with theories and concepts and follows with in-depth coverage of OT interventions in both individual and group contexts. Case studies and models show how to apply the fourth edition of the Occupational Therapy Practice Framework (OTPF) in selecting treatment strategies. UPDATED AOTA's Occupational Therapy Practice Framework 4th Edition and current OT practice are reflected throughout the book to ensure alignment with the latest OT guidelines for education and practice. NEW Complementary and Integrative Health chapter provides an overview of complementary approaches that have expanded in use within health care and includes examples of how to effectively incorporate them into OT treatment. UNIQUE At least two case studies in each clinical chapter show how to apply the Occupational Therapy Practice Framework (OTPF) in determining treatment options and one or more conceptual models address the psychosocial needs of clients. NEW Feeding and Eating Disorders chapter offers more in-depth information on eating disorders included in the DSM-5 along with the OT's role in treatment. NEW Enhanced ebook version included with every new print purchase allows access to all the text, figures, and references with the ability to search, customize content, make notes and highlights, and have content read aloud. Using the Occupational Therapy Practice Framework chapter describes how to apply the 4th edition of the OTPF to the practice of occupational therapy. Balanced approach to psychosocial occupational therapy includes thorough coverage of primary diagnoses as well as occupational and psychosocial theories, models, and approaches. Emphasis on clinical reasoning skills provides insights on how to select treatment strategies based on the conceptual theories and models presented in the earlier chapters. The

information on diagnoses also references the DSM 5 A focus on psychosocial skills makes it easier to adjust the method of approaching a client the nature of the therapeutic relationship and the direction and eventual outcomes of intervention regardless of the setting or the primary diagnosis Coverage of therapeutic interaction skills and group process skills shows how to provide treatment in both individual and group settings
