Complete Workbook Sports Training:

The Complete Guide to Sports Training John Shepherd, 2013-05-31 The Complete Guide to Sports Training is the definitive practical resource for anyone wishing to improve their performance and for coaches looking to get the best out of their athletes. The book demystifies sports science and provides athletes and coaches with the basic building blocks they need to maximise performance. Starting with the basics and progressing to the specific elements all athletes need speed, endurance and power, this invaluable handbook explains the theory in simple, easy-to-understand terms before discussing the most effective training methods and techniques, as well as giving guidance on developing a training plan, sports psychology and training younger and older athletes. This is the first time such a wealth of sports science knowledge has been available in one book and written in such an accessible style and should become the sports training handbook for athletes, coaches and sports science students.

Complete Book on Correctives, Therapeutic Exercises, Sports Injuries and Massage Dr. V.D. Bindal, 2021-05-17 With increasing growth faults and postural defects among children, application of corrective physical education becomes more significant as the regular type of physical education programme and activities will not meet out safely the physical and psychological needs of weak and underdeveloped children as the normal boys and girls will do. The book *Complete Book on Correctives, Therapeutic Exercise, Sports Injuries and Massage* is divided into 5 sections and 19 chapters containing various aspects of corrective physical education, postural defects, therapeutic exercise, rehabilitation, prevention and treatment of sports injuries, common therapeutic modalities and various aspects of massage and the description of massage techniques. Written in a simple and easy language with plenty of illustrations, the book is mainly intended for use as a text book and also as a reference book for the teachers and undergraduate and postgraduate students of physical education and sports.
