The Boat Galley Cookbook: 800 Everyday Recipes and Essential Tips for Cooking Aboard Carolyn

Shearlock, Jan Irons, 2012-09-28 No matter what anyone tells you boat cooking IS different from cooking ashore The space is smaller there's no grocery store 5 minutes away you have fewer prepared foods and electric appliances and food storage is much different Despite cruising different oceans we Jan and Carolyn both faced the same challenges eating well while having time to enjoy all the other great aspects of cruising We love to snorkel swim kayak explore and just sit and admire the view We learned with the cookbooks we both had aboard and wished for information that wasn't available like when Jan ended up with a frozen chicken complete with head and feet and no instructions on how to cut it up When we couldn't get foods such as sour cream English muffins spaghetti sauce or yogurt we adapted recipes to make our own Other times we experimented with substituting ingredients maybe the result wasn't identical but it was still tasty We ended up with over 150 substitutions and dozens of make it yourself options As we traded recipes and knowledge with each other we realized we were compiling information that became The Boat Galley Cookbook 800 recipes made from readily obtainable ingredients with hand utensils including numerous choices to suit every taste not just one cake but 20 16 ways to prepare fish 10 regional barbeque sauces and so on Step by step directions to give even non cooks the confidence they can turn out tasty meals without prepared foods
