Jensen, 1991-08-01 Although the apostle Paul was in Thessalonica only a short time his teachings had an enormous effect on the young believers living there His first letter was both a reminder of what he had taught them and a call for each believer to be prepared for the imminent return of Christ In his second letter you will see how Paul handled misunderstanding and anxiety regarding the Day of the Lord This Self Study Guide will be an indispensable aid as you study Paul s letters to the Thessalonians The books in the Jensen Bible Self Study Guide series are designed to provide you with a broader understanding of God s Word Offering historical context and background author information charts and other helps these books will equip you with a comprehensive reference tool you ll return to often Each study includes an opportunity for analysis response and further study in a response oriented format The thirty nine books in this series are suitable for both personal and group use *Studies of Paul's Letters to the Thessalonians* Dennis Dinger, 2013-03-04 The two letters from Paul to the Thessalonian saints contain details of the second coming of the Lord and encouragements to proper behavior leading up to that day The Thessalonian saints were beset by persecution from rabble rousers and by deceptive words of false teachers The letters contain explanations words of comfort caution and command and encouragements to watch rejoice walk and please God These letters are apropos to the 21st Century because today s saints have similar interests and similar problems to those facing the Thessalonians of the 1st Century plus we are now 2000 years closer to the Lord s return
