Twins 1959-1966 Floyd Clymer, Velocepress, 2009-06-01 A faithful reproduction of the 1967 Floyd Clymer publication of the
official Honda Factory Workshop Manual for the 125 150 series C92 CS92 CB92 C95 and CA95 There are exhaustive tables
of technical data tolerances and fits and all of the expected data from a factory publication for the repair and overhaul of all
major and minor mechanical and electrical components making it an invaluable resource for collectors and restorers of these
classic Honda motorcycles There are 228 illustrations and each procedure is explained in a step by step method using an
appropriate illustration The translation from Japanese to English is at times a little quirky but the profuse illustrations make
up for any difficulty in understanding what needs to be done There are separate sections that deal with the repair and
overhaul procedures for the engine transmission wheels and brakes front forks frame and carburetor plus a detailed
electrical service section This is a must have reference for any Honda enthusiast and would certainly assist in helping any
potential purchaser better understand the inner workings prior to purchasing one of these classic motorcycles Out of print
and unavailable for many years this book is highly sought after on the secondary market and we are pleased to be able to
