his planned history of the Revolution from the 1880s the German and Austrian social democrats did embark on such a project This was an important moment for both Marxism and the historiography of the French Revolution Yet it has not previously been the object of any overall study The French Revolution and Social Democracy studies both the social democratic readings of the foundational revolutionary event and the place of this history in militant culture as seen in sources from party educational to leaflets and workers calendars First published in 2012 as La R volution fran aise et la social d mocratie Transmissions et usages politiques de l histoire en Allemagne et Autriche 1889 1934 by Presses Universitaires de Rennes in 2012     Index of Patents Issued from the United States Patent Office United States.
