Gupta

A decorative graphic element consisting of a light blue horizontal bar with a rounded right end, and a red circular shape partially visible behind it.

14 Prelim Business Studies Paper Gauteng:

OECD Territorial Reviews: The Gauteng City-Region, South Africa 2011 OECD, 2011-11-10 Against the backdrop of South Africa's achievements since the fall of apartheid this Review evaluates measures to position economic development policy and to confront economic inequality in the Johannesburg Pretoria region *Handbook of Research on Smart Territories and Entrepreneurial Ecosystems for Social Innovation and Sustainable Growth* Palma-Ruiz, Jesús Manuel, Saiz-Álvarez, José Manuel, Herrero-Crespo, Ángel, 2019-12-27 With the rise of information and communication technologies in today's world many regions have begun to adapt into more resource efficient communities Integrating technology into a region's use of resources also known as smart territories is becoming a trending topic of research Understanding the relationship between these innovative techniques and how they impact social innovation is vital when analyzing the sustainable growth of highly populated regions The Handbook of Research on Smart Territories and Entrepreneurial Ecosystems for Social Innovation and Sustainable Growth is a pivotal reference source that provides vital research on the global practices and initiatives of smart territories as well as their impact on sustainable development in different communities While highlighting topics such as waste management social innovation and digital optimization this publication is ideally designed for civil engineers urban planners policymakers economists administrators social scientists business executives researchers educators and students seeking current research on the development of smart territories and entrepreneurship in various environments

Routledge Handbook of Food Waste Christian Reynolds, Tammara Soma, Charlotte Spring, Jordon Lazell, 2020-01-13 This comprehensive handbook represents a definitive state of the current art and science of food waste from multiple perspectives The issue of food waste has emerged in recent years as a major global problem Recent research has enabled greater understanding and measurement of loss and waste throughout food supply chains shedding light on contributing factors and practical solutions This book includes perspectives and disciplines ranging from agriculture food science industrial ecology history economics consumer behaviour geography theology planning sociology and environmental policy among others The Routledge Handbook of Food Waste addresses new and ongoing debates around systemic causes and solutions including behaviour change social innovation new technologies spirituality redistribution animal feed and activism The chapters describe and evaluate country case studies waste management treatment prevention and reduction approaches and compares research methodologies for better understanding food wastage This book is essential reading for the growing number of food waste scholars practitioners and policy makers interested in researching theorising debating and solving the multifaceted phenomenon of food waste **NGOization** Aziz Choudry, Dip Kapoor, 2013-07-11 The growth and spread of non governmental organizations NGOs at local and international levels has attracted considerable interest and attention from policy makers development practitioners academics and activists around the world But how has this phenomenon impacted on struggles for social and environmental justice How has it challenged or reinforced the forces of capitalism and colonialism

And what political economic social and cultural interests does this serve NGOization the professionalization and institutionalization of social action has long been a hotly contested issue in grassroots social movements and communities of resistance This book pulls together for the first time unique perspectives of social struggles and critically engaged scholars from a wide range of geographical and political contexts to offer insights into the tensions and challenges of the NGO model while considering the feasibility of alternatives

Questions and Replies of the National Assembly South Africa. Parliament (1994-). National Assembly,2002

Customer Behaviour Michael Colin Cant,Annie Brink,Sanjana Brijball,2002 Important marketing and industrial psychology concepts are applied to southern African business scenarios in this overview of consumer behavior Case studies applications and research findings illustrate market characteristics of consumer motivation attitudes and loyalty Information is presented on creating market value for the consumer by using smart marketing strategies that consider the role of family based decision making organizational buying behavior and relationship based buying

African Books in Print ,1978

Who Rules South Africa? Paul Holden,2012-08-02 South Africa success story or basket case This year marks the centenary of the ANC It is also the year when Jacob Zuma will fight for his political life seeking to fend off opposition from within the Tripartite Alliance and retain his presidency Now more than ever to the victor the spoils With the country s politics poorly understood in the world Paul Holden and Martin Plaut present the true story of post apartheid South Africa They depict a nation fighting against appalling unemployment poor education widespread corruption and organised crime In a country where poverty is rampant and institutions are weak the battle for power is set to intensify Plaut and Holden seek to answer the burning question is South Africa destined to become another African tragedy or is there still the promise of growth and a stable democracy
