Suicides excessive overtime hostility and violence on the factory floor in China Drawing on vivid testimonies from rural migrant workers student interns managers and trade union staff Dying for an iPhone is a devastating expose of two of the world s most powerful companies Foxconn and Apple As the leading manufacturer of iPhones iPads and Kindles and employing one million workers in China alone Taiwanese invested Foxconn s drive to dominate global electronics

manufacturing has aligned perfectly with China's goal of becoming the world leader in technology. This book reveals the human cost of that ambition and what our demands for the newest and best technology mean for workers. Foxconn workers have repeatedly demonstrated their power to strike at key nodes of transnational production, challenge management, and the Chinese state, and confront global tech behemoths. *Dying for an iPhone* allows us to assess the impact of global capitalism's deepening crisis on workers.

Britannica Book of the Year 2012 Encyclopaedia Britannica, Inc., 2012-03-01 The Britannica Book of the Year 2012 provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever-changing populations, governments, and economies throughout the world. It is an accurate and

comprehensive reference that you will reach for again and again **Learn Spanish News Vol.1** Nik Marcel, LEARN SPANISH NEWS Vol 1 English Spanish THIS EDITION The dual language text has been arranged into sentences and shorter paragraphs for quick and easy cross referencing The source text is the Spanish language edition of Voice of America VOA The Spanish text has been translated into English for this dual language project The reader can choose between four formats Section 1 English to Spanish Section 2 Spanish to English Section 3 English Section 4 Spanish A methodology for getting the most out of this bilingual format is explained in the book s Foreword The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language to be able to read only in the foreign language and extract enough understanding to continue the language learning process fruitfully this way A reader might like to go back to reading dual language news for reinforcement and further development returning to foreign language only news with a deeper understanding By going back to the same old news you are going over words word patterns and passages with which you already have a certain familiarity The process of reinforcement learning or retaining of what is new and exposure to what is unfamiliar is much easier this way even though the news may seem a little dated The aim of informing the reader about actual news is secondary especially given that the content will become less current and less relevant over time If you are having trouble with the level of difficulty in the text a suggested path for learning languages is as follows Familiarise yourself with a basic language instruction book or re read the one you have Once a student has studied the basics a suitable book about basic grammar can be helpful The suggestion is that any grammar book be studied more with the intent of recognition and understanding rather than memorising and obsessive rote learning Go through as much of the grammar book you feel you can digest maybe even the whole book skipping over what is not easily understood After this read through a portion of text in a book called Spanish Sentences by 2LanguageBooks looking for examples of what you have picked up or gleaned in your hopefully not so arduous study of grammar Even repeatedly seeing a word that you remember seeing listed as a subject pronoun or a third person plural verb of some sort is a great help Then depending on your inclination return to the grammar book or your basic Spanish book or move on to lengthier bilingual text like in 2Language Books texts containing news or stories for example or find some suitable Spanish text a simple novel a Spanish news website etc Grammar books will likely have some verb charts However there are currently good on line resources that go further dictionaries with a verb conjugation search option Many basic language books offer some form of audio support Internet services primarily news based radio stations offer podcasts Audio from television is an additional resource and can be formatted for use on various digital platforms However if audio is an important component of your interest in languages electronic devices that support quality text to speech TTS will likely be appealing With a library card TTS technology in a device that supports the relevant content and the above mentioned resources an entire language learning system is available for not much more than a cup of coffee There is no substantial financial outlay to get you started Furthermore there are no

additional ongoing fees and updates and there are no expiry dates on premium content and resources A Dual Language Book Project 2Language Books The iOS 4 Developer's Cookbook Erica Sadun,2011-10-13 Praise for previous editions of The iPhone Developer s Cookbook This book would be a bargain at ten times its price If you are writing iPhone software it will save you weeks of development time Erica has included dozens of crisp and clear examples illustrating essential iPhone development techniques and many others that show special effects going way beyond Apple s official documentation Tim Burks iPhone Software Developer TootSweet Software Erica Sadun s technical expertise lives up to the Addison Wesley name The iPhone Developer s Cookbook is a comprehensive walkthrough of iPhone development that will help anyone out from beginners to more experienced developers Code samples and screenshots help punctuate the numerous tips and tricks in this book Jacqui Cheng Associate Editor Ars Technica We make our living writing this stuff and yet I am humbled by Erica s command of her subject matter and the way she presents the material pleasantly informal then very appropriately detailed technically This is a going to be the Petzold book for iPhone developers Daniel Pasco Lead Developer and CEO Black Pixel Luminance The iPhone Developer s Cookbook should be the first resource for the beginning iPhone programmer and is the best supplemental material to Apple s own documentation Alex C Schaefer Lead Programmer ApolloIM iPhone Application Development Specialist MeLLmo Inc Erica s book is a truly great resource for Cocoa Touch developers This book goes far beyond the documentation on Apple s Web site and she includes methods that give the developer a deeper understanding of the iPhone OS by letting them glimpse at what s going on behind the scenes on this incredible mobile platform John Zorko Sr Software Engineer Mobile Devices I ve found this book to be an invaluable resource for those times when I need to quickly grasp a new concept and walk away with a working block of code Erica has an impressive knowledge of the iPhone platform is a master at describing technical information and provides a compendium of excellent code examples John Muchow 3 Sixty Software LLC founder iPhoneDeveloperTips com This book is the most complete guide if you want coding for the iPhone covering from the basics to the newest and coolest technologies I built several applications in the past but I still learned a huge amount from this book It is a must have for every iPhone developer Roberto Gamboni Software Engineer AT T Interactive It s rare that developer cookbooks can both provide good recipes and solid discussion of fundamental techniques but Erica Sadun s book manages to do both very well Jeremy McNally Developer entp <https://github.com> <http://ericasadun.com>
