Standardization of Financial Reporting and Accounting in Latin American Countries Lourenço, Isabel,Major, Maria,2015-07-01 Accounting has often been described as the language of business As the increasing competition of overseas markets begins to affect even the smallest local companies many more business professionals must become fluent in accounting principles and practice Standardization of Financial Reporting and Accounting in Latin American Countries highlights the recent move to International Financial Reporting Standards IFRS and addresses some of the concerns raised due to cultural differences and the level of enforcement of these standards in separate countries Describing the evolution of both financial and managerial accounting due to the adoption of IFRS this book is an essential reference source for both students and seasoned professionals in the fields of accounting finance and related management fields especially those with an international emphasis

Self-Determination and Humanitarian Secession in International Law of a Globalized World Juan Francisco Escudero Espinosa,2018-03-24 This book addresses questions in connection with the international legal regime on demands for secession which have arisen in various States More specifically it examines the unilateral declarations of independence by Kosovo in 2008 and by Crimea and its subsequent annexation by the Russian Federation in 2014 The work investigates the two cases so as to shed light on the international legal regime affecting entities that are smaller than a sovereign State It analyzes the relevant principles of international law the intention being to determine their scope and review them in light of the most recent practice and developments in international law In turn the book examines and explains the events of relevance for international law that occurred in the

changing situations in Kosovo and Crimea On the basis of these legal considerations it explores how the international community can respond when faced with situations that may violate international law together with the effectiveness of various measures It also discusses whether certain situations might be legitimate as a concept could now be emerging that secession may be justified in specific circumstances such as serious and widespread violations of basic human rights
