Alien Captain's Claimed Bride Miranda Martin, 2024-08-16 Being the only female on a ship full of hot dragon warriors would be a dream come true for most women Stacy If it weren t for all the wounded pouring into her med center Stacy might enjoy the novelty of being surrounded by so many admiring dragon males Even a heads up when a battle was brewing would help However their taciturn captain left much to be desired when it came to communication Just when she was primed to give him a piece of her mind he offered himself for scourging in punishment for his oversight The poignant reminder of the abuse he d suffered at the hands of his former queen melted away her anger When her guard was down she had to admit that big scarred captain was attractive Guarding her heart from him was going to be a nearly impossible task Meric Draconian queens were deceitful vicious and thought nothing of digging their claws into a warrior when least expected Having been a breeder for ten long solars Meric

knew their ways well Draconian females were hosts for parasites that fed on the pain of others They d lull a male into a false sense of security before unleashing horrible physical and emotional abuse Humans were unlike the queens he d known They seemed open outgoing and almost innocent compared to Draconian queens There was no arguing that they were clever and intelligent beings but Meric harbored reservations about their true motivations He d guard himself until he was sure they weren t simply more skilled at deception Especially the lovely healer who had insisted upon joining his crew Meric knew that he spent far too much time thinking of the fair human female It took all his discipline as a warrior not to follow her with his eyes and come running when she needed assistance He refused to allow himself to become enamored with another cruel female albeit it one wrapped in a beautiful package

I never should have flown this close to Malum. If I had stayed away, maybe it wouldn't have come to this. Maybe I wouldn't have crashed into the planet's ocean and maybe I wouldn't have climbed right into the cliffside home of a creature so big, so wild, and so terrifying that I'm both horrified and aroused at our close proximity. Now that I'm deep in the heart of Malum, a planet both forbidden and feared by the people of mine, but something is wrong. Malum is nothing like I was promised. It's not the horror-filled wasteland I was told that it was. In fact, it's not nearly as scary as it should be, and the realization that my father lied to me is horrifying. There's a big problem on Malum. It's bigger than the ship I crashed. It's bigger than the dreams I threw away. It's bigger than the hopelessly handsome alien who is trying to guide me home. And I'm the only one who might be able to save everything. Arkadian Alien Mail Order Brides Tasha Black, The Arkadian Brides Agency is about to send three women to paradise Orion. Wombs and Alien Spirits Janice Boddy, 1989-12-01 Based on nearly two years of ethnographic fieldwork in a Muslim village in northern Sudan *Wombs and Alien Spirits* explores the z r cult the most widely practiced traditional healing cult in Africa Adherents of the cult are usually women with marital or fertility problems who are possessed by spirits very different from their own proscribed roles as mothers Through the woman the spirit makes demands upon her husband and family and makes provocative comments on village issues such as the increasing influence of formal Islam or encroaching Western economic domination In accommodating the spirits the women are able metaphorically to reformulate everyday discourse to portray consciousness of their own subordination Janice Boddy examines the moral universe of the village discussing female circumcision personhood kinship and bodily integrity then describes the workings of the cult and the effect of possession on the lives of men as well as women She suggests that spirit possession is a feminist discourse though a veiled and allegorical one on women's objectification and subordination Additionally the spirit world acts as a foil for village life in the context of rapid historical change and as such provides a focus for cultural resistance that is particularly though not exclusively relevant to women
