be arrested and deported again in 1943 In 1942 Rudy Ruth and countless Jewish students were forbidden to continue their schooling The family was left with limited choices We had to either try to flee to unoccupied Switzerland or hide in convents or Christian camps or private homes A last alternative was to await the German troops for the deadly arrest and deportation to concentration camps mostly in Poland or Germany where swift death would be certain In June 1942 we purchased fake identity papers so we could flee to Switzerland Unfortunately we soon learned that this escape route was too dangerous and not practical Our parents found a safe hiding place in the Ardennes for Ruth and Rudy For a fee Frieda found a basement to hide in Ixelles a suburb of Brussels in a private home Hillel for a much larger fee found a hiding place in a private house in Uccle another suburb of Brussels For safety reasons after about three months Ruth and Rudy left the hotel in the Ardennes Ruth and Rudy went to hide and joined with father in Uccle Six months later in March 1943 Rudy went to hide with Frieda in her Ixelles basement where they remained in hiding until they were finally liberated on the 3rd of September 1944 after hiding in the basement for 17 months The family spent over two years 27 months 823 days in hiding We then tried to resume our educations live again and become normal people again Eventually Rudy left Europe for the USA joined the US Army during the Korean conflict Frieda and Ruth joined Rudy three years later In 1991 Rudy wrote and published *And Somehow We Survive* an account of the struggle of his family to survive Now Rudy Rosenberg expands his life and the attempts to sort out the early life survival and his arrival in the USA There he details his bewildering coming to terms with his ethnic background a faith he never knew and the religion he ran away from **AN UNORTHODOX LIFE**
