[101 Tips for creating the best LinkedIn profile : Essential tips for getting a job abroad](#) Jon Josefsson, 2021-10-27. Many people set up LinkedIn profiles but then don't really know what to do with them. Others have no idea what to use LinkedIn for or how they can professionally benefit from using it. If you use LinkedIn the right way, your profile will be out there for the world to see. Remember that it's never too soon nor too late to start learning how to use LinkedIn for your own personal goals. Start with the tip that you like the most in order to get going. Is there more to it than just LinkedIn? Yes, there are more important things to think about. Taking the decision to go for it and try to find a job abroad, narrowing down what kind of jobs you want and to setting your personal sales pitch is more important than having a good digital profile. In the interviews in the last part of the book, you can read about how some Chinese persons managed when they found their job abroad and find out what their job journey was like. You can get practical tips and ideas. This book is both in Mandarin and English.
