Kelly, 2012-02-01 *Fanning the Flames* examines the worlds of fans in the exuberant and commercialized popular culture of contemporary Japan The works collected here profile denizens of all night rap clubs sumo stable patrons passionate fan clubs of a professional baseball team enthusiasts of traditional rakugo storytelling a club of middle aged female fans of a popular music star youthful followers of Japan's longest running rock band vinyl record collectors and a thriving community of girls and women who produce and devour amateur comics Grounded in close often extended fieldwork with the fans themselves each case study is an effort to understand both the personal pleasures and political economies of fandoms The contributors explore the many ways that fans in and of Japanese mass culture actively search for intimacy and identity amid the powerful corporate structures that produce the leisure and entertainment of today's Japan ***The Continuum Complete International Encyclopedia of Sexuality*** Robert T. Francoeur, Raymond J. quality of the dramatic writing all make this anthology both an essential adjunct to the 2001 prose fiction and poetry collection *City Voices* and at the same time a ground breaking independent record of an incredibly fertile period in Hong Kong's recent creative life history Thematically speaking whilst all plays have their unique voice and subject matter it is accurate to say that the quest for personal and communal identity is a theme that goes to the heart of all present selections The anthology is important in that it epitomizes the increasing interconnectedness of previously segregated facets of Hong Kong culture indicating the very welcome tendency towards more open dialogue between Chinese and non Chinese practitioners and audiences The anthology contains the complete texts of the shorter plays and strategically selected excerpts from the longer plays All the texts in this collection were written as English language versions for performance rather than literary translations although for some a Chinese language text was also written
