Allah Is Not Obligated:

Allah Is Not Obligated Ahmadou Kourouma, 2007 A powerful and affecting novel of Africa's child soldiers by French Africa's pre-eminent novelist Birahima is ten years old. He lives in the Ivory Coast. He is a soldier. In Ahmadou Kourouma's extraordinary novel Birahima tells his story. At the age of ten his mother dies and Birahima leaves his native village accompanied by the sorcerer-crook Yacouba to search for his aunt Mahan. Crossing the border into Liberia they are seized by a rebel force and pressed into military service. Birahima is given a Kalashnikov, minimal rations of food, a small supply of dope and a tiny wage. Fighting in a totally chaotic civil war and alongside many other boys, some no older than himself, Birahima sees death, torture, amputation and madness but somehow manages to retain his own sanity. Ahmadou Kourouma's masterpiece is powerful, terrible and frequently bitterly funny. From the Hardcover edition. *Mediating Violence from Africa* George S. MacLeod, 2023-10 *Mediating Violence from Africa* explores how African and non-African Francophone authors, filmmakers, editors and scholars have packaged, interpreted and filmed the violent histories of post-Cold War Francophone Africa. This violence, much of which unfolded in front of Western television cameras, included the use of child soldiers facilitated by the Soviet Union's castoff Kalashnikov rifles, the rise of Islamist terrorism in West Africa and the horrific genocide against the Tutsi in Rwanda. Through close readings of fictionalized child soldier narratives, cinematic representations of Islamist militants, genocide survivor testimony and Western scholarship, George S. MacLeod analyzes the ways Francophone African authors and filmmakers, as well as their editors and scholarly critics, negotiate the aesthetic, political, cultural and ethical implications of making these traumatic stories visible. MacLeod argues for the need to periodize these productions within a post-Cold War framework to emphasize how shifts in post-1989 political discourse are echoed, contested or subverted by contemporary Francophone authors, filmmakers and Western scholars. The questions raised in *Mediating Violence from Africa* are of vital importance today. How the world engages with and responds to stories of recent violence and loss from Africa has profound implications for the affected communities and individuals. More broadly, in an era in which stories and images of violence, from terror attacks to school shootings to police brutality, are disseminated almost instantly and with minimal context, these theoretical questions have implications for debates surrounding the ethics of representing trauma, the politicization of memory and Africa's place in a global, as opposed to a postcolonial or Euro-African, economic and political landscape. *The Interpretation of The Meaning of The Holy Quran Volume 7 - Surah Al-Baqarah verse 262 to 286* Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of

Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English

Prof Nasoha Bin Saabin **New Perspectives on African Childhood** De-Valera NYM Botchway,Awo Sarpong,Charles Quist-Adade,2019-09-05 What does it mean to be a child in Africa In the detached Western media narratives of penury wickedness and death have dominated portrayals of African childhood The hegemonic lens of the West has failed to take into account the intricacies of not only what it means to be an African child in local and culturally specific contexts but also African childhood in general Challenging colonial discourses this edited volume guides the reader through different comprehensions and perspectives of childhood in Africa Using a blend of theory empiricism and history the contributors to this volume offer studies from a range of fields including African literature Afro centric psychology and sociology Importantly in its eclectic geographical coverage of Africa this book unashamedly presents the good the bad and the ugly of African childhood The resilience creativity pains and triumphs of African childhood are skilfully woven together to present the myriad of lived experiences and aspirations of children from across Africa As an important contribution to African childhood studies this book has the potential to be used by policymakers to shape sustain or change socio cultural economic and education systems that accommodate African childhood dynamics and experiences at different levels *The Path of Muhammad*

Muslim and Christian Beliefs: A Comparison Bruce McDowell, Anees Zaka, 2000-01-01 It is crucial that followers of Jesus and followers of Allah understand the similarities and differences of their respective systems of belief This compendium has been derived largely from the authors book Muslims and Christians at the Table We heartily recommend this 325 page book designed to promote biblical understanding among Muslims **Nimrod** Frieda Ekotto, 2018-10-15 The Chadian writer Nimrod philosopher poet novelist and essayist is one of the most dynamic and vital voices in contemporary African literature and thought Yet little of Nimrod's writing has been translated into English until now Introductory material by Frieda Ekotto

provides context for Nimrod's work and demonstrates the urgency of making it available beyond Francophone Africa to a broader global audience. At the heart of this volume are Nimrod's essays on Léopold Sédar Senghor, a key figure in the literary and aesthetic Négritude movement of the 1930s and president of Senegal from 1945 through 1980. Widely dismissed in recent decades as problematically essentialist, Senghorian Négritude articulated notions of blackness as a way of transcending deep divisions across a Black Diaspora under French colonial rule. Nimrod offers a nuanced reading of Senghor, drawing out the full complexities of Senghor's philosophy and reevaluating how race and colonialism function in a French-speaking space. Also included in this volume are Nimrod's essays on literature from the 2008 collection *The New French Matter*. *La nouvelle chose française*. Representing his prose fiction is his 2010 work *Rivers Gold* (*L'or des rivières*). Also featured are some of Nimrod's best-loved poems in both English translation and the original French. The works selected and translated for this volume showcase Nimrod's versatility, his intellectual liveliness, and his exploration of questions of aesthetics in African literature, philosophy, and linguistics. *Nimrod: Selected Writings* marks a significant contribution toward engaging a broader audience with one of the vital voices of our time. This book will be essential reading for Anglophone students and scholars of African philosophy, literature, poetry, and critical theory and will offer a welcome introduction to Nimrod for general readers of contemporary international writing.

The Meaning and Explanation of the Glorious Qur'an Muhammad Saed

Abdul-Rahman, 2008-02-01 The third volume in a series of 10 continues to provide the English-speaking public with all relevant information needed to make the Qur'an more understandable and easier to study. **World Religions**

Decoding International Law Susan Tiefenbrun, 2010-04-14 Violations of international law and human rights laws are the plague of the twentieth and twenty-first centuries. Violence and the flagrant violation of human rights have a naturally dramatic effect that inspires writers, film makers, artists, philosophers, historians, and legal scholars to represent these horrors in their work. In *Decoding International Law: Semiotics and the Humanities*, Professor Tiefenbrun helps readers understand international law as represented indirectly in the humanities.

Interpretation of the Thirtieth Part of the Holy Qur'an Mohammad Amin Sheikho, A. K. John Alias Al-Dayrani, 2014-12-16 In *Am ma Part* we can see how Allah overwhelms us with His Favor and Charity and guards us by His Mercy and great Care. Within it we can see the Godly Justice has been manifested. Itself with Its most magnificent meanings. How great is he who recites them or reads them. How great is he who draws attention to them or publishes them. For those people are indeed sources of truth, right, and religion. All of these blessings are but drops from the ocean of the favor of the One who rose high above all that is high. Glorify him, then, and appreciate him in order that you can comprehend these meanings and be able to apply them. Let him be your highest example and your leader forever and ever. By *Am ma Part* the noble companions woke up from their heedlessness with it. God's Envoy had started his way to God, and it is that which upgraded the Arab State, then the good chosen nations and people, and moved them to life filled with bliss and happiness after they had lost themselves in worlds of darkness. This is the way leading to the Gardens.
