Readers Choice Sports Training:

Reader's Choice Kim Flachmann, Michael Flachmann, Alexandra MacLennan, 2004 **The Complete Guide to Sports Training** John Shepherd, 2013-05-31 The Complete Guide to Sports Training is the definitive practical resource for anyone wishing to improve their performance and for coaches looking to get the best out of their athletes. The book demystifies sports science and provides athletes and coaches with the basic building blocks they need to maximise performance. Starting with the basics and progressing to the specific elements all athletes need: speed, endurance and power. This invaluable handbook explains the theory in simple, easy-to-understand terms before discussing the most effective training methods and techniques as well as giving guidance on developing a training plan, sports psychology and training younger and older athletes. This is the first time such a wealth of sports science knowledge has been available in one book and written in such an accessible style and should become the sports training handbook for athletes, coaches and sports science students.

From Fast and Furious Fitness to Gorilla Grip to 0 Excuses Fitness, Gumption Galore and everything else we've put out, thus far it's been a wild, wild ride and it promises to get even better. The comments and feedback we receive on a regular basis via social media and email etc. is something that makes it ALL worth it. If there is something that folks love about us, it's our direct in your face, NO nonsense style, not just with regard to fitness instruction but the 0 Excuses Fitness philosophy as well as our daily fitness tips that we put out on a regular basis that people wake up to every morning. It is THESE fits and the rambunctious ovation to these tips that I put out the first Edition of Fitness Central, then the second, then the third, all in all a mind-boggling 153 fitness tips, but now and despite the feedback I've gotten

I ll go one BETTER Instead of purchasing all three fitness manuals separately you can now purchase them all as ONE reader one giant MOTIVATIONAL fitness package as it were with all the same tips as in the three books but at a reduced price Truth be told I could charge you upwards of 100 for EACH of the fitness books and you d still get your money s value and THEN SOME Truth be told even ONE of these tips by themselves is worth their worth in GOLD spades mucho dinero what have you And truth be told the BENEFITS you ll get from following even one of these tips far far outweighs what you ll get from following the staid ole routines at the gym for years Now if you re with me thus far and if you ve cracked open even one of the Fitness Central books you KNOW the benefits you ll get from these books Just in case you aren t though and just in case you chance upon this package first up here are at a glance some of the benefits you ll get from this book Finger tip pushups and what you really need to know about them Why the way your muscles look aren t the most important or even a little bit important The skinny on grip strength and building rock solid coruscating levels of kung fu like grip strength My manuals on grip training do a great job here and these tips are but the icing on the cake but a much needing icing The truth about calluses that most people will NOT tell you The one exercise combo that will give you explosive gains all over your upper body Once you go this route you ll never go back trust me How shorter workouts can be just as in fact way more effective than the long drawn out workouts you ve been advised to do and how they benefit your HEALTH and MINDSET more than you could ever imagine How foreign devils in China workout and why these workouts are so brutally effective Yet another one for the books as it were Why your breath is literally the most important thing you should focus upon during your exercise routine and how you can burn fat off your frame almost instantly once you start applying the right breathing techniques Believe me THIS tip alone is something most folks would be happy to drop more than a hundred smackers on to learn You ll learn about my much vaunted and much famous all over the Internet hill climb from China and how it benefited me and how similar workouts can benefit YOU You will learn how to get cardio workouts in like NEVER before workouts that take less than 15 minutes and leave you soaked in sweat burning fat like never before and feeling on TOP of the world How to lose weight rapidly and do it FAST This is unconventional You won t see this information anywhere else And yet does it work You bet your betsy it does And much much more my friend Grab it now and write back and let me know how you do **Skiing**
