Bless Your Heart & Mind Your Mama Polly Powers Stramm, 2018-05-25 Southerners have a way with words As Southern Living says Southerner's shun the simple the straightforward and the direct in favor of more colorful means of self expression Southern style There seems to be a Southern saying for every occasion Some are inspiring and uplifting while others have that biting tongue in cheek humor

justification to use epithets in order to put him on the defensive and into the unenviable position of having to assert that he is not a racist. It is also dirty and hateful to do so and that is how such responses should be considered. We also review Agenda 21 Document 7277, the Illuminati, the Club of Rome and the Committee of 300 in brevity. We discuss the New World Order and speculate about megaregions and their locations both in the United States and abroad. We take a very long train ride from the most southern tip of South America all the way to New Zealand and we discuss possibilities for a likely location for the capital of the world that may surprise you. We even speculate about a location right here in the United States for a habitat for useless eaters. We discuss how close we have come in our society to achieve all the goals of the New World Order. I really hope you enjoy the read.

No Greater Tyranny Blaine Pardoe, 2023-08-08. The Second American Civil War rages on. The progressives that overthrew the government are desperate to hold onto power. Battles rage from New Hampshire to Texas to North Carolina and Tennessee. The American freedom fighters must contend with a revolt in Texas. Chinese interference, the tyrannical National Security Force and ruthless politicians bent on making sure America isn't restored. One patriot leads a daring raid behind enemy lines and one family extracts vengeance for a lost member of their clan. A determined general is thrown into a battle that could crush the hopes that America can be saved. The odds have never been longer, the patriotism never higher. Torn from today's headlines, Blaine Pardoe's fourth installment in the Blue Dawn series is a cautionary tale of what could happen if the radical progressives got everything they ever wanted.

Patrons of Terror Blaine L. Pardoe, 2024-03-20. In Patrons of Terror, the fifth installment of Blaine Lee Pardoe's explosive Blue Dawn series, the civil war ravaging America intensifies as the battle lines between Newmerica and the American resistance grow more defined and more brutal. Following the overthrow of the legitimate government, the Ruling Council and their National Security Force have transformed America into the totalitarian state of Newmerica. With Social Quarantine camps operating as modern-day gulags, dissenters face imprisonment or worse. While the Truth Reconciliation Committee controls the media narrative, a determined resistance fights back. When General Trip Reager launches Operation Diamondback to liberate the Southwest, the fragile balance of power shifts dramatically. In New Hampshire, the resistance known as The Defiance prepares for a final stand against overwhelming Newmerican forces. Meanwhile, Raul Lopez and his team mount a daring rescue of prisoners from a death camp in New Mexico, exposing the horrifying truth of the regime's environmental recycling program. As operatives infiltrate the highest levels of both governments, no one is safe, including Chief of Staff Jack Desmond, whose assassination attempt threatens to destabilize the entire resistance. With former enemies becoming allies and trusted friends becoming traitors, the fight for America's soul has never been more desperate. Raw, unflinching and unapologetically political, Patrons of Terror delivers a high-stakes thriller that resonates with alarming parallels to contemporary political divisions. If you enjoyed Agenda 21, American War, and The Mandibles, you'll love Patrons of Terror.
