All Pastor Christ Oyakhilome:

God's Word To All Pastors Maria Olajesus, 2015-05-29 This book is for all the Watchman who are working in God Vineyard God is not happy with the way the Watchman are doing into day s world *DID WE CREATE GOD?* JOACHIM ONYEAKOR, 2012 The author believes that the religious arena has turned into a market place hence anyone can buy God and religious institutions can also canvass for membership to increase their sales He expresses his dismay at most religions of the world and their levels of hypocrisy particularly within the Pentecostal Christian community that is fragmenting into untold numbers and has turned into a tool of fraud and deceit selling God selling salvation selling false dreams and false hopes deploying stage managed miracles as catch tools and also as tools of mind slavery He is not comfortable with suicide bombers within the Islamic community who erroneously claim that such extreme level of ugliness will lead them into heaven He says that the ways religious institutions are conducting themselves lately we no longer know who created who whether God created Man or Man created him for a purpose According to the Christian Bible Christ did say do unto others as you will have them do unto you love one another hence the Author begs to know whether others and one another according to Christ mean all races and religious faiths since those golden rules are not being applied by those who told us about Christ In the name of Capitalism and Materialism Man has almost turned into a base animal hence making this earth look like a jungle where no rules apply and where conscience and love no more have a place We live in times when Man create diseases and create their cures The author believes that since most people especially Africans believe in the Bible information and Bible stories and the Bible has it that the Pharaohs of Africa did enslave the Israelites in the past then colonialism and slavery may be human nature and a form of revenge which one must also strive to resist Colonialism seems to be a form of ugliness just like Apartheid forceful dominance slavery and other forms of Man s oppressions and inhumanity against fellow Man which happens from time to time in human history which humanity must also fight to outlive The author disagrees with the notion that God chooses some people to rule over others hence he believes that people choose themselves According to the Christian Bible Christ did say to his disciples that greater things shall they do in his name hence it is time that the so called Christian anointed men of God who are performing miracles only on church stages also walk on water for all to see Unfortunately the continent of Africa where it is said that civilization began has more churches than factories yet the continent has failed to develop *African Instituted Churches* Rufus Okikiolaolu Olubiyi Ositelu, 2002 One of the striking features of the changed demography of world Christianity has been the emergence and growth of the African Instituted Churches AICs This book is therefore provided for those who desire to study the African initiatives in Christianity The book is intended to serve as a valuable material to teachers and students of African Instituted Churches The customs culture and traditions of the African or any other peoples of the world are to serve as beautiful compliments to the Christian faith and belief and not diametrically opposed to it **The Blessings** Eruke Omorogieva, 2023-07-27 You can eternally change the

course of your child's life by simply imbibing the blessing culture Filled with straightforward thoughts and scripturally excellent recommendations The Blessings Guiding Our Children through Prayers is a parent's guide to successfully charting the course of the life of their children through prayers Life is filled with too much uncertainty not to heed the biblical importance of praying for our children This simple to read book highlights nine easy to follow steps to pouring blessings upon our children In these present times when all seems lost this book offers you and your family hope showcasing the proven model of raising successful and obedient children by the patriarchs and matriarchs of time past We can replicate Bible days again in our time The principles are still the same and they have not changed Come with me on a journey of endless possibilities of immeasurable blessings as we explore the principles of praying for our children Having Confidence in God Chucks Uzonwanne,2013-07-15 Having confidence in God takes you on a journey of intimacy It inspires that eternal peace and joy which only God provides when you are led by his Spirit This profound closeness is a revelation discovered and developed through prayer and the study of the word of God It is an intimate relationship that opens the door for you to have accurate knowledge of God and to discover your destiny in him Pastor Chucks Uzonwanne *Patient 12A* Lesedi Molefi,2024-08-01 Brave poetic brutal always honest By leading the reader through his chaotic childhood and immersing us in a mental health treatment centre Lesedi forces us to confront conversations that are often hard to have I was moved and challenged GAVIN WEALE So here I am at a psychiatric hospital looking for myself in a building I've never been to before A few nights ago I was ready to rid myself of myself I still am only in a different way Patient 12A is Lesedi Molefi's absorbing memoir reflecting on his time spent in a psychiatric clinic in 2016 With vulnerability and candour Lesedi reflects on the moments large and small that led him there It is at once a personal history an observation of how childhood experiences can have a profound effect on the adults we become and a commentary on how mental illness remains a difficult conversation in black families More than anything in Patient 12A Lesedi allows himself to filter out the noise in his head to find the truth however uncomfortable that may be **Secrets to Reaching Your Destiny** Salay H. Kekula,2022-10-16 In this book Secrets to Reaching your Destiny I intend to inform my readers about their greatness and how to eliminate the seven major challenges that attempts to hinder them from discovering and fulfilling their destiny You will learn about rejection and how to grow to a level where it never stops you from pursuing your purpose and vision There are some people who allow the fear of rejection to destroy their personal relationships but not any more should that be your story after reading this book Once you learn how to overcome all the other major challenges you will fulfill your destiny and much more Journey to the Higher Realm Zuriel Ann Murphy,2012-08-08 With deep revelations intense exegesis relieving anecdotes inspirational quotes and illustrations through the use of suspense and climax the Author explores vast areas to reveal God's Realm of Life Its a realm too high for the ordinary mind hidden from the ignorant parable to the multitude yet a mystery unveiled With this book ignorance is ruined our identity revealed the challenge to greatness explored and a right mindset imparted Its a book that

uniquely answers long heart hidden questions and ushers you into the Higher Realm A realm that places you above natural rules and worldly principles The Author observes Overcoming adverse circumstances depends on the nature of the realm you dwell in That same bread that gives satisfaction to the habitants of the Higher Realm chokes the habitants of the earthly realm **The News** ,2008 Christ Is Our God Yinka Bamgbelu,2015-05-22 It seems extraordinary that Dr Richard Dawkins who Dr Stephen Hawking implied was an imbecile was apologising for Albert Einstein I believe Dawkins was afflicted by delusional self aggrandisement which is a form of psychosis and part of the clinical manifestations of latent progressive dementia He was not fit to speak for a true genius like Einstein Infallibility is brainless nonsense as it exists only in the supernatural realm Only an infallible being will describe another being as fallible If Albert Einstein were a stately horse Dr Richard Dawkins is an insect Albert Einstein regards Sir Isaac Newton as near deity Sir Isaac Newton was a devout unorthodox Christian and perhaps the supreme science genius
