Wager, 2017-03-21 Film noir showcased hard boiled men and dangerous femmes fatales rain slicked city streets pools of inky darkness cut by shards of light and occasionally jazz Jazz served as a shorthand for the seduction and risks of the mean streets in early film noir As working jazz musicians began to compose the scores for and appear in noir films of the 1950s black musicians found a unique way of asserting their right to participate fully in American life Jazz and Cocktails explores the use of jazz in film noir from its early function as a signifier of danger sexuality and otherness to the complex role it plays in film scores in which jazz invites the spectator into the narrative while simultaneously transcending the film and reminding viewers of the world outside the movie theater Jans B Wager looks at the work of jazz composers such as Miles Davis Duke Ellington and Billy Strayhorn Chico Hamilton and John Lewis as she analyzes films including Sweet Smell of Success Elevator to the Gallows Anatomy of a Murder Odds Against Tomorrow and considers the neonoir American Hustle Wager demonstrates how the evolving role of jazz in film noir reflected cultural changes instigated by black social activism during and after World War II and altered Hollywood representations of race and music Choice, 2006 *NEA Jazz Masters*, 2008 CD contains over 40 Jazz Moments originally aired on XM Satellite Radio which include interviews musical samples historical information and first person anecdotes **Sourcebook for Research in Music, Third Edition** Allen Scott, 2015-06-01 Since it was first published in 1993 the Sourcebook for Research in Music has become an invaluable resource in musical scholarship The balance between depth of content and brevity of format makes it ideal for use as a textbook for students a reference work for faculty and professional musicians and as an aid for librarians The introductory chapter includes a comprehensive list of bibliographical terms with definitions bibliographic terms in German French and Italian and the plan of the Library of Congress and the Dewey Decimal music classification systems Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology performance practice women in music popular music education business and music technology These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come **Wading in Water** Robert P. harmonious with Spirit spirituality is authentic healthy and vital Healthy spirituality is integrative both individually and corporately in that it emerges from wholeness and yearns for wholeness How do we know if we are on a path to increased wholeness When we experience not only individual well being but help generate the same well being toward others In other words wholesome self love leads to greater love for others and for all of life While Wading may be seen as a text on spirituality its uniqueness is its connection of spirituality with creative arts such as poetry literary allegory film music theatre drama and dance Wading is not a comprehensive study for the purpose is to promote the enrichment of life through beauty creativity diversity risk taking newness serendipity and synchronicity joint features of spirituality and the arts Like its companion text Walking on Water this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection
