The Complete Works of C. H. Spurgeon, Volume 43 Spurgeon, Charles H., Volume 43 Sermons 2498 2549 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for

most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon Sermons for every Sunday throughout the year Barnaby Murphy,1816 *The Works* John Tillotson,1772 **Compendium of Theology** **By Thomas Aquinas** Saint Thomas (Aquinas),2009-11-05 Towards the end of his life St Thomas Aquinas produced a brief non technical work summarizing some of the main points of his massive Summa Theologiae This compendium was intended as an introductory handbook for students and scholars who might not have access to the larger work It remains the best concise introduction to Aquinas s thought Furthermore it is extremely interesting to scholars because it represents Aquinas s last word on these topics Aquinas does not break new ground or re think earlier positions but often states them more directly and with greater precision than can be found elsewhere There is only one available English translation of the Compendium published as Aquinas s Shorter Summa Saint Thomas s Own Concise Version of his Summa Theologiae by Sophia Institute

Press It is published by a very small Catholic publishing house is marketed to the devotional readership contains no scholarly apparatus Richard Regan is a highly respected Aquinas translator who here relies on the definitive Leonine edition of the Latin text His work will be received as the premier English version of this important text

Best Kept Secrets of the Gospel of Jesus Christ Lawrence D. Gardner, 2006-02-28 I had a religion professor at Brigham Young University who often asked What is the best kept secret of The Mormon Church After declaring all answers amiss he would make this statement The best kept secret of The Mormon Church is the Gospel of Jesus Christ Over the years of teaching gospel doctrine I have found his statement to be all too true Despite their best study efforts and the abundance of scriptural resources many members do not understand some fundamental and extremely important doctrines I invite you to feast with me upon the meat of more exalted concepts

The Day God Explained Himself David W. Palmer, 2014 Jesus is the master communicator He is the best teacher using the best technique to convey the most crucial content ever disclosed to man Jesus reveals God's purpose for us He also shows us how God interacts with man and how his kingdom system works Jesus ministry led up to and continued to build on the foundation of a specific explanation he gave of God and his system This happened on a particular day The Day God Explained Himself If we miss the significance of that day and if we don't put sufficient emphasis on the value of Jesus teaching on it we could miss God's best for our lives We could spend the bulk of our Christian walk on course askew from God's pathway This in turn could lead to frustration unproductive beliefs religious self effort blaming God or justifying fruitlessness This book pinpoints the heart of Jesus teaching If we make this our focal point the remainder of Jesus teaching his ministry and other New Testament writings will fall into place
