Adventures in Spiritual Warfare William P. Payne, 2018-05-04 Even though they lack the words to describe it most people know that spiritual warfare is real This book pulls back the curtains and gives the reader a front row seat to the most exciting show of our time Each chapter pairs riveting personal stories with solid biblical teaching to give the reader practical guidelines for defeating Satan and living a victorious Christian life Perhaps you feel like Peter felt when Jesus commanded him to leave the safety of his boat and step upon the tempestuous sea Because he trusted Jesus he obeyed him Later Jesus told the disciples that they would do greater things This book will help you find the courage to step out of your comfort zone and walk into the world of power ministry Thankfully a series of profound encounters with evil supernaturalism forced me to overcome my internal resistance to spiritual warfare After I learned how to flow with the Spirit defeat the enemy and set the captives free my life has never been the same Are you ready to join the battle **The True Alpha and Omega** Minister Jerrod Smith, Brother Clifton Lucas, 2011-06-20 This book exposes the true nature and culture of fraternities and sororities In these secret societies there are activities and requirements that cause prospective members and members alike to unknowingly enter into ungodly pacts and covenants These ungodly practices lead to activities which include physical abuse fornication adultery hatred envy strife manipulation social and intellectual elitism abominable sexual activities and witchcraft These organizations attract people that are looking for something that only Christ Jesus can provide However the organizations appears as a light by their community service and networking abilities This light however is a false light Once one gets into the inner workings of the organizations the sin and soul inflicting antics are found deeply rooted in darkness The authors being former members that participated in ungodly activities within these organizations expose the physical

mental sexual and spiritual death dealing activities found in fraternities and sororities This is by no means a kiss and tell composition but it is a trying to save people from hell exposition Actual accounts of sexual requirements abuse ancient ungodly spiritual practices witchcraft and required chants which denounce the existence the One True God are given in detail in this book Ungodly spirits of old have found new vessels to operate in through these fraternities and sororities The good thing about this book is that it not only exposes spiritual wickedness and old ungodly practices but it shows people who want to be free how to find God the Ancient of Days Let the Truth be told We encourage you to read this book if you are joining a fraternity or sorority are a member of one are a pastor or have a loved one in one of these organizations We desire for all to be free and blessed by this book

Sex and the Kingdom Kenneth M. Yelverton, 2013-01-22 Look what people are saying about Sex and the Kingdom It is with much enthusiasm that I endorse and recommend Sex and the Kingdom as a book needed to bring a healthy understanding of human sexuality in an hour that is increasingly carnal Godless decadent and immoral Bishop Yelverton lays out for us a Godly perspective of sexuality which indeed is a subject that many churches and individuals within the Body of Christ will not approach In this book he has remained true to his Pentecostal Holiness roots as well as his theological training It is a must read for all students and scholars who are serious about the Word of God and the future of the Lord's Church Indeed it appears that we are losing the battle for what is moral and decent and these kinds of writings are necessary for us to indeed hold the banner high for holiness and that the Bible is still our rule of faith and practice Bishop Donald Hilliard Jr D Min The Cathedral International Perth Amboy New Jersey Much debate is taking place in sanctuaries across the nation about same sex

We live in a time where pop culture media and entertainment have been given precedence in establishing the mores of our culture. With this thought in mind, *Dating Dress Rehearsal For Divorce* takes a closer look at one of these aspects: dating. The idea behind a dress rehearsal is to practice and perfect what will be done once the cameras are rolling. It is to prepare in advance for the real production and how you practice is likely how you will perform. However, in the real life drama of marriage, when the cameras are gone, make up is removed, and the lights are off, two people are left to actually deal with real life love and circumstances. The stage of life and marriage is more than a mere production; again, like a dress rehearsal, how you practice it is likely how you will perform. Live it! If two are not properly prepared or familiar with how each one will play their role, the results may be something less than an encore performance. Through the years, we have seen many scenarios when doing pastoral pre-marriage and marriage counseling. Therefore, we desire to encourage you with practical wisdom to prepare and lay a foundation for the role you want to play in life. We invite you on a journey that is both challenging and rewarding by comparing traditional dating versus courting and taking a closer look at where love and intimacy find their place in the middle of it all. By taking a closer look at the prepackaged paradigm of dating, you decide how your story will play out.

Breaking Toxic Soul Ties Tom Brown, 2018-01-09. Going through this world in relationship with other people inevitably creates connections in our inner being called soul ties. When these relationships are loving, supportive, and nurturing, positive soul ties are created. But if the relationships become abusive or manipulative or cause rejection, they create a toxic brokenness within our soul that we carry with us even long after the relationship ends. If these toxic inner soul ties are not severed, we will experience failure, fractured relationships, and even health problems throughout life. In *Breaking Toxic Soul Ties*, Tom Brown describes his own story of rejection and the process of inner healing he experienced. He will help you to identify and diagnose toxic relationships as he explains the difference between positive and negative soul ties. He also shows why toxic soul ties develop and how they can only be broken by a process of inner healing that incorporates confession, forgiveness, and prayer. The truth is, unless your self-image is firmly rooted in the truth of your identity in Christ, you will always be susceptible to bad soul ties. Tom Brown describes the way for you to move forward in life and leave pain and brokenness behind for good.
