Dear Mable Culbreath,

We have recently noticed a trend in the handling of customer complaints, which has been less than satisfactory. It has come to our attention that the pre-designed format for addressing customer concerns hasn't been properly followed. The consistent execution of this structured framework is crucial to ensure prompt and effective resolutions for our valued customers.

The management expects strict adherence to the pre-designed format to maintain our professional standards and improve our customer service. Any deviation from the format not only tarnishes our brand's identity but also hampers our efficiency in resolving customer complaints. We trust that this matter will be taken seriously and immediate action will be taken to correct this issue. Your compliance in this matter is paramount for the success and reputation of our company. We expect to see an overall improvement in our customer service processes henceforth.

Should you require any additional guidance on this matter, please feel free to contact the undersigned. We are here to support our team's efforts towards maintaining outstanding professional standards and providing exceptional customer service.
