Key Account Plans Lynette Ryals,Malcolm McDonald,2010-05-14 To manage key accounts profitably you need strategic planning that works This book is the definitive guide to achieving this based on the unmatched practical and research experience of Ryals and McDonald Key Account Management is proven to deliver substantial benefits to the bottom line Best practice companies know that real results from managing powerful customers are not achieved through short term cost cutting Instead as the best companies understand it depends on fostering carefully developed and profitably managed relationships with an equally carefully selected group of key accounts This is a genuinely strategic activity that goes well beyond sales management and the simplistic use of budgets to generate targets It is about the behaviours and practices that make predictable profitable and sustainable Key Account Management possible To achieve this the book is constructed to deliver Clear descriptions of the various techniques and the reason for their importance A hugely powerful step by step approach to using the key techniques to build strategic skills Templates for building real plans Cases examples and vignettes to show best real world practice Based on wide application in the business world and the world class research at Cranfield Management School this book will be an essential introduction to the principles and reality of Strategic Key Account Planning For senior managers key account managers at all levels as well as those on executive and MBA courses it will be an essential guide and text

Integrating Transparency in Learning and Teaching (TILT): An Effective Tool for Providing Equitable Opportunity in Higher Education Akella, Devi,Paudel, Laxmi,Wickramage, Nadeepa,Rogers, Michael,Gibson, Annalease,2022-04-15 Students of color and those of lower economic backgrounds and of underrepresented groups appear to face a disadvantage when they transition from high schools into colleges These students tend to have lower academic preparation than white students which leads to higher levels of stress and anxiety as well as an increased placement in remedial courses which negatively impacts their graduation rates As institutions become aware of these facts and take appropriate measures to improve educational experiences they must implement Transparency in Learning and Teaching TILT initiatives in order to provide equal access to education Integrating Transparency in Learning and Teaching TILT An Effective Tool for Providing Equitable Opportunity in Higher Education

provides information on Transparency in Learning and Teaching TILT concepts and how they can be used in course development to improve student learning and performance It focuses on bringing positive learning experiences to college students especially first generation students which can lead to higher levels of academic success It strongly advocates for transparent education and provides guidance for overcoming the existing accessibility gap in higher education Covering topics such as business education online learning platforms and teaching modalities this book is an indispensable resource for academicians faculty developers administrators instructional designers professors and researchers
