I meditated every morning in the garden.
I've managed to stick to my monthly budget.

Taking the time to focus and meditate every morning helped me start each day positively. Following a monthly budget also felt great because I knew this I was being accountable and saving for the future.

WHAT DIDN'T WORK? WHY?

I definitely used the month I did not cut all the stress out of my life, but I found some relaxation techniques for dealing with it. One of those is regular physical activity and long daily walks I feel so much better already. I improved in all 8 wellness dimensions where I've struggled the most.
