The Complete Book of Pontiac GTO Tom Glatch,2018-11-13 The Complete Book of Pontiac GTO gives you a year by year model by model exploration of the world s first muscle car all in full color photography most of which has never been published When Pontiac created the original muscle car the GTO it reshaped the automotive world like a four inch piston going through a three inch cylinder bore

Everything changed the moment John Zachery DeLorean and his crew of hot rodding miscreants bolted a big engine into a smaller car and created the 1964 GTO. Make no mistake, DeLorean and his partners in crime were genuine outlaws. The GTO broke so many of General Motors corporate rules that the people responsible should have been fired. And they would have been, except the car was a hit. *The Complete Book of Pontiac GTO* explores every iteration of the first car created specifically for baby boomers. With rare photography from the archives of *Hot Rod* and *Motor Trend* magazines, this book is the complete resource for fans of the world's first muscle car.
