Adobe Photoshop Cs4 Up To Speed Ben Willmore:

Adobe Photoshop CS4 Willmore,2008 **Adobe Photoshop CS4 Studio Techniques** Ben Willmore,Dan Ablan,2009-03-10 Adobe Photoshop CS4 Studio Techniques has been completely updated to cover the new features in CS4 In a friendly easy going style that s long on information and short on techno babble Photoshop Hall of Famer Ben Willmore and photographer Dan Ablan guide you through the concepts and features that will truly make a difference in how you use Photoshop every day They ll take you from blindly following step by step instructions to an in depth understanding of how Photoshop works cutting through the fat to focus on what they consider to be Photoshop s essential features This full color book delivers the content in three easily digestible sections Working Foundations Production Essentials and Creative Explorations Streamlined for this new edition the book will distill Photoshop s vast capabilities down to what you need to know for a full understanding of the program while simultaneously focusing more directly on best practices for the photographer Beginning with a quick refresher course on the working foundations of Photoshop you ll move on to real world production techniques Finally you ll get to fully explore Photoshop s creative potential by blending and enhancing images creating collages retouching photographs colorizing and working with filters and layer masks By the time you finish this book your creativity and efficiency levels will soar and you ll feel like you finally get Photoshop *Adobe Photoshop CS4* Ben Willmore,2009-05-27 Long established as a must have guide for Photoshop users upgrading to the newest version Up to Speed goes right to the heart of Photoshop CS4 what has changed what is new and how you can get the most out of the features as quickly as possible Rather than sift through hundreds of pages detailing every last Photoshop feature and function both old and new you can go directly to the new features that interest you the most and get the explanations you desire in the classic Ben Willmore style intuitive crystal clear and in depth By focusing on a single topic what s new in this version the award winning author provides precisely what experienced Photoshop users have been clamoring for in exactly the depth they demand After reading this book even if you ve been using CS4 for awhile don t be surprised to hear yourself say I didn t know CS4 did that In addition to learning the new features in no time flat a welcome side effect of learning from Ben is that you can expect to become a better faster and more efficient Photoshop user and few things are more fun than becoming better at Photoshop **Real World Print Production with Adobe Creative Suite Applications** Claudia McCue,2010-04-14 Contrary to popular belief print is not dead With all the interest in online publishing here in the 21st century it s easy to lose sight of the fact that information is still widely disseminated through the good old medium of print The advent of desktop publishing granted new levels of power and control to the layout artist and graphic designer but it hasn t made the process of getting the perfect print foolproof Sometimes managing the disparate elements of fonts images colors and more while dealing with the quirks of page layout applications makes even the bravest designer and production editor long for the hands on days of moveable type Creating a great layout on your monitor is only half the battle how do you

make it work on paper Print production expert Claudia McCue takes on the challenge of putting ink to paper offering clear authoritative guidance to print professionals and anyone else who has been frustrated by the obstacles of getting electronic documents to print perfectly This new edition of Claudia s classic book is now fully Adobe centric and shows readers how to use the different applications in the Adobe Creative Suite 4 together to create and produce great print documents Use Photoshop and Illustrator to create raster and vector images and combine them with text in InDesign to create eye catching yet readable page layouts Learn the ins and outs of fonts and gain a better understanding of how ink and paper work together Finally preflight or prepare your job for submission to a printer to make sure the printing process goes off without a hitch
