The Social Dog Juliane Kaminski,Sarah Marshall-Pescini,2014-05-20 Dogs have become the subject of increasing scientific study over the past two decades chiefly due to their development of specialized social skills seemingly a result of selection pressures during domestication to help them adapt to the human environment *The Social Dog* Behaviour and Cognition includes chapters from leading researchers in the fields of social cognition and behavior vocalization evolution and more focusing on topics including dog dog and dog human interaction bonding with humans social behavior and learning and more Dogs are being studied in comparative cognitive sciences as well as genetics ethology and many more areas As the number of published studies increases this book aims to give the reader an overview of the state of the art on dog research with an emphasis on social behavior and socio cognitive skills It represents a valuable resource for students veterinarians dog specialists or anyone who wants deeper knowledge of his or her canine companion Reviews the state of the art of research on dog social interactions and cognition Includes topics on dog dog as well as dog human interactions Features contributions from leading experts in the field which examine current studies while highlighting the potential for future research *Interspecies Emotional Labour* Tiamat Warda,2025-12-03 This book explores the topic of interspecies emotional labour through the work of guide dogs and their instructors The skill of managing emotions to present oneself with professionalism is referred to as emotional labour Extending practitioner knowledge and emotional labour theory to Anthrozoology and Animal Organization Studies discourse this multispecies ethnography draws on the author s work with guide dogs and those of the professionals she interviewed to introduce multiple case studies that explore the enmeshed

dynamics and practices involved in emotional labour within multispecies workplaces It presents new insights into why the emotional labour strategies a human or dog worker utilises are important and how these can directly impact an individual's working success and well being Despite the centrality of emotional labour performances in multispecies workplaces it has fallen under the radar of academic and practitioner attention until recent years making this an innovative timely addition to existing discourse This book will appeal to practitioners and academics interested in understanding and improving emotional labour education and practices to support more sustainable interspecies work

Pets and Puppies Monica Easton, 2018-11-06 *Pets and Puppies* is Monica Easton's personal account of a life devoted to animals tracking the joys and sorrows of pet ownership Packed with anecdotes verse and stories this book also chronicles Monica's work with guide dog puppies during the first year of their life and training Monica's household has been home to a mixed bag of creatures providing plenty of stories some happy some sad some very unusual but all made life very interesting and entertaining With tales of a fleet footed hamster who could climb 14 stairs in 9 seconds a football playing dog who was a wizard on the dribble and a polecat that gave birth to a litter of eight kits the day after she was rescued *Pets and Puppies* gives an insight into the life of an animal lover After the death of her first pet dog Monica applied to walk guide dog puppies and was accepted as a volunteer She spent thirty years walking twenty seven puppies in preparation for their further training at a year old In her book she recounts the different characters she met along the way puppies who refused to walk one who was agoraphobic one who play fought with their bantam cock another who stole food shredded clothes and toys and one who needed hydrotherapy treatment after surgery The book also tells of dogs that did not qualify to become guide dogs and returned to Monica's family to enrich their lives and some who returned to them after retirement and still offered a challenge

A Guide to Guide Dog Schools Ed Eames, 1994 Fewer than 1.5% of the blind and visually impaired use guide dogs as their basic means of mobility One reason for this low percentage is the lack of information about these canine assistants The authors goal is to fill this information gap

Intro As the authors originally envisioned this guide it would be a resource for blind people considering partnership with guide dogs They did not anticipate the interest shown by orientation and mobility instructors rehabilitation counselors disabled student officers librarians and teachers of the blind and visually impaired They hope the present edition will find an equally diversified readership To provide greater coverage they are including the Canadian training programs in this edition
