2. In the **Notes** field, enter a note.

3. In the **Apply Note To** field, select the **Transaction** or **Row** to which you want to apply the note.

The note section can be used each day or you can add one note for the entire payroll. In the past, manual timescards use to list how many hours were spent on different activities each day. 5. **Result:** The **+** icon indicates a new note in the timescard. You can click on the note and select **OK** or **Cancel** to apply the contents of the note.
