Parnell,2013-01-15

Balancing theory with practice this fully updated fourth edition of John A Parnell s acclaimed text continues to provide detailed accessible coverage of the strategic management field Taking a global perspective the text addresses concepts sequentially from external and internal analysis to strategy formulation strategy execution and strategic control To help readers build their analytic skills as they master course concepts Parnell aligns each chapter s key concepts with 25 case analysis steps Current examples and high interest cases largely drawn from The Wall Street Journal and Financial Times illustrate the key role of strategic management in the United States and around the world Ideal for the capstone strategic management course Strategic Management is appropriate for a range of undergraduate and graduate courses Cradle of America Peter Wallenstein,2014-08-15 As the site of the first permanent English settlement in North America the birthplace of a presidential dynasty and the gateway to western growth in the nation s early years Virginia can rightfully be called the cradle of America Peter Wallenstein traces major themes across four centuries in a brisk narrative that recalls the people and events that have shaped the Old Dominion The second edition is updated with new material throughout including a new chapter on Virginia and world affairs from the Korean War through 9 11 and beyond and an expanded bibliography Historical accounts of Virginia have often emphasized harmony and tradition but Wallenstein focuses on the impact of conflict and change From the beginning Virginians have debated and challenged each other s visions of Virginia and Wallenstein shows how these differences have influenced its sometimes turbulent development Casting an eye on blacks as well as whites and on people from both east and west of the Blue Ridge Mountains he traces such key themes as political power racial identity and education Bringing to bear his long experience teaching Virginia history Wallenstein takes readers back even before Jamestown to the Elizabethan settlers at Roanoke Island and the inhabitants they encountered as well as to Virginia s leaders of the American Revolution He chronicles the state s dramatic journey through the Civil War era a time that revealed how the nation s evolution sometimes took shape in opposition to the vision of many leading Virginians He also examines the impact of the civil rights movement and considers controversies that accompany Virginia into its fifth century The text is copiously illustrated to depict not only such iconic figures as Pocahontas George Washington and Robert E Lee but also such other prominent native Virginians as Carter G Woodson Patsy Cline and L Douglas Wilder Sidebars throughout the book offer further insight while maps and appendixes of reference data make the volume a complete resource on Virginia s history
