Advanced Accounting Chapter 8 Solutions:

Problems & Solutions in Advanced Accountancy Volume I, 6th Edition Maheshwari S.N. & Maheshwari S.K., 2009-11-01
Any book on solved problems would be welcome by the students as they dread the unsolved problems the most. Problems and solutions in advanced accountancy Vol I and II is the result of realization of the same fact. However, this book will serve its purpose the best if before referring to it the students have attempted to solve the questions on their own. The book has been designed specially to serve as a complementary set to the textbook advanced accountancy Vol I and II authored by the same team as Dr S N Maheshwari and Dr S K Maheshwari. It contains detailed solutions to all the practical problems given at the end of each chapter in advanced accountancy as also solutions to the problems set at the recent university and professional examinations. Special feature of the book is that the problems have been properly graded. Solutions to Problems in Advanced Accounts Vol-2 S C Gupta, 2008
