

"Amazing Grace (My Chains Are Gone)"

Amazing grace
How sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind, but now I see

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

My chains are gone
I've been set free
My God, my Savior has ransomed me
And like a flood His mercy reigns
Unending love, amazing grace

The Lord has promised good to me
His word my hope secures
He will my shield and portion be
As long as life endures

[2x]

My chains are gone
I've been set free
My God, my Savior has ransomed me
And like a flood His mercy reigns
Unending love, amazing grace

The earth shall soon dissolve like snow
The sun forbear to shine
But God, Who called me here below,
Will be forever mine.
Will be forever mine.
You are forever mine.

Ransomed, Redeemed, and Forgiven David H. McIlroy, 2022-07-05 Images connected to money are found frequently in the Bible and in the hymns and songs Christians sing The ideas of ransom redemption and forgiveness are a key part of how the work of Jesus on the cross is described But what do the pictures of ransom redemption and forgiveness actually mean How would they have been understood by the first hearers of the gospel How do they link to kidnapping slavery and debt Using practical examples from his experience as a banking lawyer and from history David McIlroy shows how power money and sin combine to trap us leaving us in desperate need of a redeemer to rescue us This book will deepen your understanding of Jesus s death enrich your worship and inspire you to share and demonstrate the transformative power of the salvation achieved through the cross and resurrection

Australian Pentecostal and Charismatic

Movements, 2020-04-28 In *Australian Pentecostal and Charismatic Movements Arguments from the Margins* Rocha Hutchinson and Openshaw argue that Australia has made and still makes important contributions to how Pentecostal and charismatic Christianities have developed worldwide This edited volume fills a critical gap in two important scholarly literatures The first is the Australian literature on religion in which the absence of the charismatic and Pentecostal element tends to reinforce now widely debunked notions of Australia as lacking the religious tendencies of old Europe The second is the emerging transnational literature on Pentecostal and Charismatic movements This book enriches our understanding not only of how these movements spread worldwide but also how they are indigenised and grow new shoots in very diverse contexts

Ethics and Christian Musicking Nathan Myrick, Mark Porter, 2021-03-22 The relationship between musical activity and ethical significance occupies long traditions of thought and reflection both within Christianity and beyond From concerns regarding music and the passions in early Christian writings through to moral panics regarding rock music in the 20th century Christians have often gravitated to the view that music can become morally weighted building a range of normative practices and prescriptions upon particular modes of ethical judgment But how should we think about ethics and Christian musical activity in the contemporary world As studies of Christian musicking have moved to incorporate the experiences agencies and relationships of congregations ethical questions have become implicit in new ways in a range of recent research how do communities negotiate questions of value in music How are processes of encounter with a variety of different others negotiated through musical activity What responsibilities arise within musical communities This volume seeks to expand this conversation Divided into four sections the book covers the relationship of Christian musicking to the body responsibilities and values identity and encounter and notions of the self The result is a wide ranging perspective on music as an ethical practice particularly as it relates to contemporary religious and spiritual communities This collection is an important milestone at the intersection of ethnomusicology musicology religious studies and theology It will be a vital

reference for scholars and practitioners reflecting on the values and practices of worshipping communities in the contemporary world

A Kairos Moment for Caribbean Theology Garnett Roper, J. Richard Middleton, 2013-08-12 The project of developing a contextual theology for the Caribbean was first articulated in the early 1970s in Trinidad and Jamaica In the years since many evangelical churches and theologians in the Caribbean have been ambivalent about the validity of this project assuming that an emphasis on context was somehow antithetical to the pure gospel But the crisis of the times along with a more mature hermeneutic has led to a re-evaluation of this assumption Here a group of evangelical Caribbean theologians enter the discussion with substantive proposals for how the gospel addresses the Caribbean context They are joined by other theologians from mainline Protestant and Catholic traditions in the Caribbean The result is an ecumenical dialogue on the diverse ways in which orthodox Christian faith may provide both challenge and hope for the Caribbean context Half the essays in this volume were originally presented at the Forum on Caribbean Theology held in 2010 at the Jamaica Theological Seminary the rest were invited especially for this volume
